Dandruff Stopped After Fifteen Years

SAN ANTONIO, Texas.—Mrs. C. W. Gabeheart, 105 Vernon Ave., San Antonio, Texas, says: "For fifteen years my husband and I tried everything that was recommended for dandruff, and at last we found a product that would actually get rid of it. Your Baker's Hair Tonic is wonderful. At first, we thought it was just another something that would do us no good, but we soon learned it was the very thing we had been looking for, for years. Those who are bothered by dandruff or itchy scalp should give Baker's Hair Tonic a trial; it won't let you down."

For dandruff and itchy scalp use Baker's Hair Tonic, and for clean scalp and lustrous hair use Baker's "Latherinis" Shampoo. Get them both at your drug store, barber shop or beauty shop. You'll be delighted with results, or the makers of Baker's will refund every penny of your money.—Adv.
