Sister Kenny announces new discovery that can defeat polio epidemics. . . . All public employes forced to sign loyalty oath. . . .

New cloth discovered that will "wear like iron". . . . Eastern seaboard faces new heat wave! A VERY FAMOUS PREDICTION:

When Martin Luther made his break from the Catholic Church, he predicted that the result would be felt the middle of the 20th Century, and when we look at the religious persecutions in mid-Europe today, we may have the working out of that prophecy. Statesmen say that if men had remained under a state religion, no attack would have been made on it by outside forces, but divided as it is now, one sect was used against another! The late Darlan, who was assassinated in 1942, had often predicted that he would some day be a national hero after his

Another prediction made in 1940 by Gavotta Jennay, a French seeress, tell us that in 1951, France will have a woman as her ruler, and from the number of Frenchwomen now in politics, this far fetched prediction of 1940 may very well work out!
