The Sunday Spotlight

There's Crime in the Air

diet, the reader finds himself no

longer an omnivorous consumer he finds that certain types of mystery stories or the works of a few authors are

some new ones.

Whether that applies to radio and film fans I can't say. But I suspect that it does, insofar as type is concerned.)

Many mystery readers will tell you that they don't like radio you that they don't like radio with one kind of production leads later stems from the game which in the book, always being fair with the person who reads and, reading, the person who reads and, reading plays make such points of the reading plays make such points of the person who reads and reading plays make such points of the reading plays make such points of the person who reads and reading.

Films are criticized more on the claim that mystery dramas fight means.

Some new ones.

This brings up recurrent radio problems. This department has always goposed governmental censorship of radio (except for libel and in the soloist.

The first is simply beause governmental censorship of radio (except for libel and in the can be done.

This department has always goposed governmental censorship of radio (except for libel and in the can be done.

This department has always goposed governmental censorship of radio (except for libel and in the can be done.

This department has always goposed governmental censorship of radio (except for libel and in the total censor what they see. And they have every right to censor what they see. And they have every right to censor what they see. And they have a equal right to protest to gram is bad simply because it is a mystery story, nor is it to say that shows which aren't good for the whole of Modern Life." the Rev. A. R. Brines them, with the result shat the producers.

This timple, but it can be done.

This timple, but it can be done.

This department has always good for radio (except for libel and in the total censor what th

board on quiz shows a year or so ago.

As such stories become a steady here are about 60 whodunits on there are about 60 whodunits on the air now—counting both radio network and television shows regard that cerain types of mysery stories or he works of a lew authors are note to his taste han others.

board on quiz shows a year or so ago.

Newsweek said recently that there are about 60 whodunits on the radio network and television shows. Some are summer tryouts or replacements, but gossip says that many of these will be held over lew authors are note to his taste han others.

board on quiz shows a year or so ago.

Newsweek said recently that the with murder, mayhem, and there are about 60 whodunits on the air now—counting both radio network and television shows. Some are summer tryouts or replacements, but gossip says that many of these will be held over lew authors are not he sire.

Some are summer tryouts or restations, networks, and advertisers.

Second, they can simply keep the kids away from the radio while such shows are on the air.

This brings up recurrent radio while such shows are on the air.

This department has always by the Lord; Marilyn Parish.

By WILLIAM L. DOUDNA
(State Journal Radio Editor)
Mystery stories are among the heaviest sellers in the book stalls, yet the dyed-in-the-wool mystery reader is seldom a steady listener to radio mysteries or a regular patron of movie whodunits. For example, me.

second score than on the first; fans crime, that they teach the chilfered weiss talks with exhibitors dren that the wages of sin is death or prison. This may be true sometimes, but from here it sounds society's annual show.

All this being true, it is also like rationalization. As Newsweek asks pointedly, do the children remember more the crime or the punishment?

3 p. m. — Flower Show (WIBA): Fred Weiss talks with exhibitors and visitors at Madison Gladiolus society's annual show.

4 p. m. — East Side Festival and winter, just as it went overparent or the board on quiz shows a year or so example, me.

If radio insists on filling the ir with murder markets.

Uncle Ray's Corner

Oil Piped Across Desert

lonia were built.

Is Modern Kingdom

which is of minor importance in the world's life, except for its oil. It is the home of people of Turkish. Arab, Armenian and Persian descent. Its chief city is Bagdad.

There is enough oil in Irak to supply several million tons to the world's markets each year. The output is not large compared with that of the United States, Venezuela or Russia, but it provides more oil than many other countries.

done only by hand labor.

The two pipes were laid side by flows through pipes in the harbors, and about 350 tons of it can be placed aboard a tanker in an hour. In olden times, tae stories of the "Arabian Nights" were inventigated in the tales including a flying carpet and a wonderful lamp.

Today, scientists and inventors have made "magic" of the many of the them they could handle more than 11,000 tons of oil per day. The oil flows through pipes in the harbors, and about 350 tons of it can be placed aboard a tanker in an hour. In olden times, tae stories of the "Arabian Nights" were inventigated in the tales including a flying carpet and a wonderful lamp.

Today, scientists and inventors have made "magic" of the many about 350 tons of it can be placed aboard a tanker in an hour. In olden times, tae stories of the "Arabian Nights" were inventigated in the tales including a flying carpet and a wonderful lamp.

zuela or Russia, but it provides Trucks—large motor trucks—more oil than many other counsupplied the answer. The trucks were fitted with extra-broad

idea of the great task which was sized by trucks.

Irak is bordered on one side by Arabia, and on another side by Persia, or Iran.

Through Irak flow two rivers which played a big part in ancient history. They are the Tigris and the Euphrates, and on their banks the main cities of ancient Babylonia were built.

Idea of the great task which was sued by trucks.

The need for transport of oil brought the start of the Irak pipe in project.

The length of one of those Irak Royden Dangerfield.

The length of one of those Irak Royden Dangerfield.

Gravity may do all the work in moving oil in the case of a short pipe line, but a long one, over an up-and-down route, needs pumps.

Worked in Hot Sun

Thousands of men were set to labor in the hot sun, and it was a great problem to keep them supplied with water.

Trench-digging machines were built.

The length of one of those Irak Royden Dangerfield.

Gravity may do all the work in moving oil in the case of a short pipe line, but a long one, over an up-and-down route, needs pumps.

Pumping stations were built about 100 miles apart, and a 500 h.p. engoine was placed in each of them.

Oil Moved Through

When, at last, the two pipe lines

Sterling North, and L. S. Gleason, speakers.

Trench-digging machines were

Trench-digging machines were employed in performing some of the work, but much of it could be done only by hand labor.

When, at last, the two pipe lines were finished, oil was sent through them. It was found that between them they could handle more than done only by hand labor.

transport of oil across deserts.

Sunday's Crossword Puzzle

A good market for Irak oil ex- wheels and tires, so they would isted in Europe, but what about not sink deeply into the sand. Inmoving it? It could not be trans- to them were loaded pieces of pipe
