City License Code Amendment Voted

An amendment to the license code to prohibit brake relining in service stations not licensed to do brake work was authorized yesterday by the City Council, as recommended by its ordinance

committee.
The council instructed the city attorney's office to study the pos-sibility of increasing the license to be paid by wholesalers who

pend on the spade finesse.

As it happened, East had both of the missing club honors. When he played the queen of clubs, South won with the acc of clubs, cashed the ace of diamonds, and returned a low club to dummy's nine. East could take his king of clubs but could not then defeat the contract. If he led hearts. dummy's king would win a trick and allow South to discard the queen of spades. If East led anything other than

hearts, South could take the jack and ten of clubs to discard both of dummy's hearts.
