# NOW IS THE TIME TO BUY THE BEST!

# GOOD YEA IRES are the best!

In times like these, far-sighted people naturally buy the best. And when it comes to tires, they buy the BEST tires. That's why more car owners today are turning to Goodyear tires. And that's why we are having a hard time keeping Goodyear tires in stock -- despite the fact that Goodyear makes more tires than any other manufacturer in the world. So, even if we should be temporarily out of your particular size, it will pay you to place your order now for earliest possible delivery.

Remember, if we don't have your tire size today, it will pay you to wait for new Goodyears - the best!

## It's Value that counts

The final answer to tire value is how many trouble-free miles a tire delivers compared to its cost. Get Goodyear quality and find out for yourself why Goedyears are best.

## Terms to suit you...

You can still get longer-wearing Goodyear tires at prices you like to pay, on terms that suit you. We'll give you a generous allowance for your old tires plus easy terms, too.

### Trade new miles for old

90% of all tire trouble occurs in the last 10% of tire life. Why take chances with worn, smooth tires? We'll trade you new Goodyear miles for the remaining unsafe mileage in your present tires. Get out of the "danger zone" — Go Goodyear. And for safer driving, get LifeGuard Safety Tubes,
