Columbian Boy Squire Plan Seeks to Aid Boys

TRAINING for leadership is St. Anthony's, Holy Innocents and the goal for the Columbian Boy Squire movement," says F. John Garrm, Richard Meadows, Howard O'Brien, grand knight of Howard O'Brien, grand knight of Long Beach Council No. 987, Long Beach Council No. 987, Knights of Columbus, sponsoring Waldie, Richard Brown, Dick Kel-Knights of Columbus, sponsoring Waldie, Richard Brown, Dick Kel-Knights of Columbian Squires in this community.

The launching of the movement

At a recent meeting conducted by Louis A. Sisti, the urgent need for proper guidance to boys was stressed by Sisti who added that a boy must be encouraged by a diversified, planned and balanced program.

diversified, planned and balanced program.

Sisti further explained that the general principle of the Squires is that the Squires must plan, execute, and assume responsibility for the success or failure of their activities. The program includes apiritual, physical, social, educational and clvic features.

The physical program is a progressive one with always an opportunity for self improvement. The social program is under guidance of a member of the Knights of Columbus Council, as are the other phases of the program. The program is recognized as the most comprehensive program for boys of high school age, Sisti said. Among those who attended the meeting were men and boys from

Back-to-school

Lakewood Teen-timers are sponsoring a back-to-school semi-formal dance in Lakewood Junior High School Auditorium tonight, starting at 8 o'clock and ending at 11.

Ted Christian's band will play. Life-sized cardboard silhouettes depicting various school activities will decorate the auditorium.

Dick Anthony and Fay Johnson, members of the Lakewood Pan-American Park staff, will supervise the dance. They will be assisted by several City College students who have acted as young adult leaders for the teenage club.

Band to Play Local Composer's Songs

One of the many songs written in the past few years by Charles Fletcher will be sung tomorrow afternoon by James McGarrigle, baritone, with the Long Beach Municipal Band. "Together For the U. S. A.," a patriotic number, is based on the three tones of the bugle, using eight different harmonies.

bugle, using eight different harmonies.

Both lyrics and music were written by Fletcher, a music instructor in Long Beach for many years. He also did the band arrangement for this number. James E. Son will direct.

Concluding the program will be a modern western song by Fletcher. "The Prairie Is Happy Tonight," which McGarrigle also will sing. The program will begin at 2 p. m. in the Band Shell and will be broadcast over Station KGER. It will be the 20,434th concert by the band. RADIO, TELEVISION AND

Between the time the woman appeared to inquire about her lost bill and the time that the \$100 was given to him by Sondra, Bullock sent the currency into the Motor Vehicle Department's main office, where, Bullock said, he had no doubt that the woman's claim would be honored.

Because the State Board of Equalization delayed the release of the local public utility assessment roll this month, the auditor's office could not start computing the official rate until later than usual.

Therefore, if necessary, the office was granted the extra time, although every effort will be made to determine that figure before that time.
