Austrian Crown Jewels Safe

Reports the historic crown jewels of the Holy Roman empire had been carted off to Moscow were proved untrue when the historic baubles were "found" in a secret vault in Vienna, where they have been since recovery from a Hitler hiding place and restoration to Austria by Gen. Dwight D. Eisenhower.

Above is the famous crown of gold, precious stones and pearls, made in 10th century for Emperor Otto. Relics will remain hidden while Reds are in Austria. (International)
