Carl Schaffrin, 217 Perry St., St. Charles, Mo., says there are some folks in this old world who feed good and there are other folks who feel bad. The folks who feel good he wants to congratulate for their fine health, but for the folks who feel mightily bad he says he wants them to read what he has to say and take a word of advice — take HADACOL if you suffer from a deficiency of Vitamins B-1, B-2, Niacin, and Iron.

Here is what Mr. Schaffrin has to say about HADACOL since it overcame the effects of such deficiencies in his system: "I have been a shoe cutter for over 33 years—I now work for the Boyd Welsh Shoe Co. in St. Louis. For quite a few years now I haven't had any appetite at all—seemed like I didn't have hardly enough energy to do my work. I was tired all the time—and really didn't enjoy doing anything. It affected my work too. Then I heard how other folks who took HADACOL had increased their appetite and seemed to have a limitless amount of energy. I tried HADACOL and it is amazing what a change it has made. Now I feel like eating everything on the table, my disposition is 100% better and my work—in fact, everything I do I now enjoy. For an entirely new outlook on life I recommend HADACOL."

Why HADACOL Gives Such Fine Results

HADACOL does not bring just symptomatic relief. HADACOL now makes it possible to actually relieve the cause of neuritis, loss of energy, lack of appetite, and a general run-down weakened condition due to such deficiencies in your system.

HADACOL not only supplies deficient systems with extra quantities of Vitamins B-1, B-2, Iron, and Niacin but also helpful amounts of important Calcium, Phosphorus and Manganese—elements so vital to help maintain good health and physical fitness.

Why These Vitamins and Minerals Come in Liquid Form

There's a very good reason why HADACOL comes in special liquid form. These precious Vitamins and Minerals are more easily and quickly absorbed into the blood stream this way—ready to go right to work. A big improvement is often noticed within a few days.

Now don't keep on wondering if HADACOL will help you. If you have such deficiencies—HADACOL WILL HELP YOU—just as it has thousands upon thousands of grateful souls who were so troubled. GIVE IT A FAIR TRIAL! Remember HADACOL is sold on a strict money-back guarantee. And so inexpensive. Trial-size bottle, only \$1.25. Large family or hospital size, \$3.50. The LeBlanc Corporation.
