Happy Is The Day When Backache Goes Away

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes slows down kidney function. This may lead many folks to complain of nagging backache, loss of pep and energy, headaches and dizziness. Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary indiscretions. If your discomforts are due to these causes, don't wait, try Doan's Pills, a mild diuretic. Used successfully by millions for over 40 years. While these symptoms may often otherwise occur, it's amazing how many times Doan's Pills have happily relieved the 15 miles of kidney tubes and others flush out waste. Get Doan's Pills today!
