Opinion, News, Etc.

TIP O' THE MORNING: Pianist Skitch Henderson will be at the top of the heap by Christmas if press-agency and other promotional activity can put him there. Note his increasing radio guest appearances and use of his picture in the magazines.

In spite of football, there are plenty of people who want to listen to music and other entertainment on Saturday afternoons. For them, WHA and WFOV will have musical programs throughout the football period today.

WHA-FM will carry the Wisconsin-Marquette game, but WHA will offer the Steuben program of German folk music at 1:30 p. m.; the "Opera Hour" at 2, and "Music of the Masters" at 3, and "Matinee WFOV will carry Vera Lynn at 1:30, Two-Ton Baker at 1:45, news at 1:55, 2:55, and 3:55. "Modern Music Capers" at 2, "Music Party Dance" at 2:30, "Music Party" at 3, and "Ten Top Tunes" at 3:30.

The Madison Civic chorus is looking for male singers. If you're a tenor, baritone, or bass and like to sing good music, you'll be welcome at rehearsals at 7:30 p. m. Mondays in the Vocational school.

A real-life romance of daytime radio started a new chapter when Friday's instalment of "Rosemary" ended.

Betty Winkler, who has had the little role since the drama went on the air in October, 1944, and George Keane, who has played Bill Roberts, left the cast Friday.

Rosemary and Bill were married in the script in 1946. Betty and George were married in real life in 1948.

Now their family physician has advised George to rest and to move to a different climate.

A listener reports that Bud Collyer, on "Break the Bank," pulled this double-lake the other day:

"We'll have to lower the microphone down."

DISC OF THE DAY: "Violin LA CROSSE MAN KILLED LA CROSSE—(UP)—Richard Kabat, 29 La Crosse, was killed instantly here Friday when his car skidded on a viaduct and crashed into a guard rail.

Do you have an owner's hand?

Any gypsy worth a gold bangle will tell you that palm reading is tricky stuff. Because no two hands are exactly alike. The hands shown above, for example, reveal different temperaments and tempers and abilities.

Most American hands, however, have this similarity: they belong to the owners of business-managed electric companies like this one.

Several million Americans, in every walk of life, own the securities of these companies.

And some 72,000,000 are indirect owners, through their life insurance and savings bank accounts. For when banks and insurance companies accept your money, they must invest it wisely, and much of it goes into electric light and power companies.

She Wants No Promises But Real 'Apartment'

An apartment for a young Madison mother and her 3-year-old son is desperately needed by Sunday.

The woman has had one tentative promise after another for an apartment "fall through."

She is being evicted because the apartment building in which she is living has been sold. Her present landlord will supply references to prospective landlords.

The woman can afford to pay up to \$60 per month for a partially furnished or unfurnished apartment. She would like 2 1/2 to 4 rooms. She may be reached by calling 4-3963.
