

The Orbits

By William Juhre

Bill Doudman's

TIP O' THE MORNING: If you want to be on CBS' "Songs for Sale," do NOT send a song. Instead, send "colorful details of your background" to "Songs for Sale, CBS, 463 Madison ave., New York 22, N. Y." That's the official word.

George Bernard Shaw's "Arms and the Man" will be presented by Players, Inc., of Washington, D. C., at West high school on Thursday, Oct. 12. This is the troupe (formerly Catholic University players) which brought us "Much Ado About Nothing" last season. You can order tickets by mail through Photo Copy service, 211 W. Mifflin st.

Mr. and Mrs. Harry Bercher and their daughter, Karen, 125 N. Hancock st., were on the air with Tom Moore in the "Ladies Fair" over Mutual-WISC on Friday. They received several household and personal gifts, and Tom will send a bicycle to Karen.

Edward O. Huggahl, University of Wisconsin carillonist, has announced a fall schedule of two programs daily, Monday through Friday at 1 and 5:30 p. m., and a 3 p. m. Sunday concert. Visitors are welcome at the tower during the concerts.

Between the close of summer session and the fall semester at the university, Huggahl took a busman's holiday by driving to Florida and visiting all carillon en route. He was invited to appear as guest recitalist in Chicago and in Greenwood, S. C. In Chicago he played a 35-bell carillon at the First International Trade fair in Chicago—a set made by Pettit and Fritsen, Dutch founders.

DENNIS MORGAN
starring in "PRETTY BABY"
A WARNER BROS. PRODUCTION

fast starter!

You're really in the driver's seat when your car's powered by an Edison. No emergency breakdowns, no lack of pep, no balking on cold mornings. An Edison has plenty of what it takes for happy motoring. Power to spare—fast starts—and plenty of 'em! No wonder. An Edison is a quality battery, built by the greatest name in electricity.

DON'T GUESS—KNOW!

Visit your friendly Edison dealer whenever your car needs service. He'll check your battery regularly—show you the results on Edison's Electrical Hydrometer—keep your battery in tip-top shape. And when it's time to replace, he'll give you the best battery you can buy—an Edison.

Thomas A. Edison
