You can dance your way to health says...

ARTHUR MURRAY

Instead of prescribing pills when you're sick, your physician is likely to suggest you take a partner—and dance! In this month's American Magazine, our most famous teacher of dancing reports that doctors now help the shy and anxiety-ridden, even the blind and disabled, through dancing.

Don't miss this stimulating article. After all, what medicine could be easier to take than to hold a girl in your arms, and dance your troubles away?

PHOTOGRAPHY: Steven Morton has received a certificate of merit and Bill Thwaits a $5 honorable mention in the National High School Photographic awards, Art Supervisor L. Irene Buck of the Madison public schools has been informed. Both are West high pupils.

HARVEST OF HARMONY: While tickets for the "Harvest of Harmony" at West high school on Oct. 14 are going fast, you can still get them at downtown music stores, Louis Sather, ticket chairman, said Wednesday. The barbershoppers expect a sellout, and advise early purchase.

Among the visiting quartets will be the Mid-States Four of Chicago 1949 international champion; the Vikings of Rock Island, Ill.; the Minor Chords of Terre Haute, Ind.; the Interludes of Midland, Mich., and the Barber-Q Four of Chicago.

Madison's own Cardinals and quartets from other Wisconsin cities also will appear.

THE DANCE: Jose Limon and his dance company will appear at the Wisconsin Union theater on Nov. 14 at 8 p. m., Nancy Berryman, chairman of the Union theater committee, announced Wednesday.

Negotiations to bring Jose Limon to the campus had been under way for nearly a year, but the company was not able to clear dates until a few days ago.

Mail orders will be received at the Union boxoffice beginning Oct. 11.

Doris Humphrey, one of the leading choreographers in the modern dance field since her retirement from active dancing, is artistic director for the group.

John Martin, New York Times' dance critic calls Limon "beyond question the outstanding male dancer in the field."

AT THE UNION: Edwin Morgan, known to Madison audiences for his roles in recent Harlesfoot productions, has been appointed theater assistant at the Wisconsin Union, according to Mrs. Robert Taylor, theater program director.

Morgan, who was active with Wisconsin Players and WHA Players graduated from the university this year. He has been master of ceremonies for many campus and city programs, and played Daisy in Harlesfoot's 1949 production of 'Bloomer Girl" and Dr. Lovelace in the 1950 "Good for the Girls."

Mrs. Frances Abrams is now handling ticket sales at the Union boxoffice, and Mrs. Rita Peterson, Union theater committee chairman in 1949-50, has been appointed box-office assistant. Mrs. Abrams, a 1945 graduate in English and speech from Berea college in Kentucky, has worked at the box-office for a year. Mrs. Peterson received her B.S. degree in speech here in 1949 and is now working on her master's degree. She is a past president of Wisconsin Players. Oscar Damman, former ticket sales manager at the Union, is now manager of student loans.

NEW FACTS FROM DU PONT HELP YOU

SAVE MONEY ON ANTI-FREEZE

Instead of using expensive anti-freeze, most motorists can get complete protection from $1.25-a-gallon "ZERONE"

This may surprise you—but here's what exhaustive winter road and laboratory tests made by Du Pont now prove about anti-freeze performance.

Du Pont "Zerone"*—at only $1.25 per gallon—will provide efficient, proper protection against cold weather, rust and corrosion for four out of five cars on the road today. These are the cars with low-opening thermostats, operating at normal altitudes, and requiring protection no lower than –30°F.

If you've been overspending on anti-freeze in the past, you can save money with Du Pont "Zerone."

- With "Zerone," there is no evaporation problem—it needs only an occasional check-up.
- You buy less—3 quarts of "Zerone" do the work of 4 quarts of most other kinds of anti-freeze.
- "Zerone" has a chemical rust-inhibitor that helps keep a clean cooling system clean and won't attack rubber. Because it stays in solution, it can't clog the cooling system.

This winter, save good money on anti-freeze. Ask your service station attendant if you, too, can use inexpensive Du Pont "Zerone" in your cooling system.
