Robert Young Signed Two Hurt When Car Hits Light Post

Robert Young has been signed by Warner Bros. to appear opposite Joan Crawford in "Goodbye, My Fancy," currently filming romantic drama. Young has been cast as the president of a college and a love in Miss Crawford's life. Frank Lovejoy stars as his rival.

Others in the cast include Eve Arden, Virginia Gibson and Howard St. John. Vincent Sherman directs the picture, with Henry Blanker producing for Warners.

Two persons were injured when the car in which they were riding struck a light standard at Ocean Blvd. and Kenebec Ave. early yesterday.

James W. Hayes, 23, of 5703 Lewis Ave. suffered cuts and bruises and his passenger, Carol Palmer, 18, of 320 Maine Ave. suffered a light concussion. Both were treated at Community Hospital.

Police said Hayes reported he fell asleep at the wheel.

Q: Why has the state refused to do anything yet? W. C. O. A.: The case has not been presented too clearly. You will soon start a new life in a new location. You will be with Norman again. You will write some greeting card verse, and later some more songs.

Q: How will things turn out for me? Mrs. Mae E. O. A.: 1951 will be filled with happy surprises, and the remaining months of this year will build you and restore your faith in mankind.

Q: Will I have trouble with my eyes? Mrs. Walter M. N. A.: Take care of them and not strain them in any way. You will hear from your older boy very soon. Your other two sons will come home before the year is over. You face much personal happiness in every way.

Q: Will my business bring me better returns? Blanche D. Mc. A.: Yes, as you will add another service that will be very profitable. Your son will marry by early spring. Your son will move back home.

Q: When will we build our house? Norman E. M. A.: In April 1951. You will take that trip east also. You will soon be in a business of your own, have a new car. Your wife will teach.

Q: Should I leave my husband? Can I support myself and the children? Worried M. L. A.: Consult your lawyer before you break away, and you will be able to get enough money in alimony and for the children's care by a legal move.

Q: Will we buy a new car? A home of our own? How soon? Jose L. L. A.: You will find that early 1951 will bring you these things and many more.

Q: Will I see my son soon? Minnie McN. A.: Yes, he will be home within three months. He will change his ways and settle
