The following programs are compiled from reports provided by the broadcasters. No responsibility assumed for last-minute changes which sometimes are made.

## DIAL LITES — TONIGHT

**7:30—KFI**—An old friend of Richard Diamond's hires the private eye to protect him during some business dealings with two underworld characters. The show is "Richard Diamond, Private Eye."

**8:30—KHJ**—The "Stolen Symphony," the drama that won the Ohio State University Award last year, will be repeated tonight during the airing of "Family Theater." Ann Blyth will be starred.

**9:00—KNX**—A poisoned sleeping pill indicates the cause but not the culprit in the death of an elderly insomniac, when "Mr. Chameleon" looks into the "Pink Pill Murder Case" tonight.

### TELE-TIPS

**7:00—KTSL**—"Roaring Six-guns" is the title of the thriller to be viewed tonight on this channel during the presentation of "Buckskin Theater."

**7:00—KECA**—Hugh Herbert, that "woo-woo" man of picture fame, will be seen tonight in a riotous and wildly paced situation comedy in which he portrays the part of a judge with a "Mitty" complex. He always visualizes himself as the culprit before the court.

**7:30—KTLA**—This is the double feature theater . . . with the first showing . . . "Lady From Chungking" with Anna May Wong, and the second feature . . . "How Do You Do" with Bert Gordon and Ella Mae Morse.

**9:00—KNBH**—"Old Lady Robbins" is the story of Nana Robbins, a spry, 61-year-old grandmother who lives with her middle-aged, widowed son Bert and his two children in Philadelphia. There are some old-fashioned ideas injected into the situation, but all comes out all right.

**10:30—KTTV**—W. Somerset Maugham will make his TV debut tonight. He will introduce "The Creative Impulse" . . . one of the first adaptations of his short stories during the viewing of "Teller of Tales."

**DR. CAMPBELL BANS UNEQUAL PRICES ON NEW DENTAL PLATES**

Same low prices and easy credit for everyone  
**BAN ON SPECIAL PRICES KEEPS PRICES LOW THE YEAR AROUND**

Last year Dr. Campbell decided to reduce his prices and do away with special price reductions at certain times of the year. He said this was his practice, and that he could not do otherwise. But his practice increased.

**NO CATCH TO CREDIT TERMS**  
Dr. Campbell wants you to take as long as you need to pay. He is more interested in giving credit than in getting it. It is the only way his volume of work can be maintained. Your credit record is not a factor.

**KNOW WHAT TO EXPECT ON PRICES**

You can be sure that any price I quote you on dental plates is the same as quoted to anyone else - uniform low prices. You are shown sample plates. You learn the price for each - same as quoted by phone. You choose the denture that seems best for your appearance, your comfort, & your purse. You are the one to please.

**No better at ANY price**  
*Transparent*  
**DENTAL PLATE MATERIAL**

Extremely LIGHT in weight and very STRONG. Transparent Dental Plate Material is the FINEST yet developed for making dentures. It is a GLOSSY, acrylic PLASTIC. Plate is left CRYSTAL CLEAR and gums are shaded a DELICATE PINK.

**Select the Teeth You Want**  
The price of your plates depends on what kind of teeth are used. You can have your plates set with one of the following types of teeth: NEW HUE TRANSLUCENT teeth, VERICHROME teeth, MICROMOLD teeth, GOLD PIN teeth, or any one of these types with one or more of the front teeth having GOLD INLAY'S. Select the teeth that fit your purse and seem best for matching your facial characteristics. Your dentist will help you with samples to help guide you.
