After 10 Years Mrs. Price Knows About Dandruff

CORPUS CHRISTI, TEX.—Mrs. W. L. Price, Rt. 1, Box 95, Corpus Christi, Tex., says: "I know there must be many people like I was, who don't believe Baker's Hair Tonic will do what users say it will. I had dandruff awfully bad, and was embarrassed when I was in a crowd, as I looked a sight. Friends trying to help, told me different things to use, and I tried nearly everything, without benefit. I finally heard about Baker's and said: 'Well, I'll try that too.' I had no confidence in it, but in just a few days I changed my mind. Never again will I be without Baker's Hair Tonic, and I hope others will give it a trial. I have used Baker's for practically ten years."

For dandruff and itchy scalp use Baker's Hair Tonic and for clean scalp and lustrous hair use Baker's "Latherin'" Shampoo. Get them both at your drug store, barber shop or beauty shop. You'll be delighted with results, or the makers of Baker's will refund every penny of your money.—Adv.
