Blood Bank Joins State Association

Santa Rosa Hospital blood bank has been approved for institutional membership in the Texas Association of Blood Banks. Dr. J. M. Moore, Santa Rosa blood bank director, has announced.

Membership of this type in the association is limited to "ethical, independently operated, and policy-making institutions, including those operated by American Medical Association hospitals engaged in blood banking," Dr. Moore reported.

MANY NEVER SUSPECT CAUSE OF BACKACHES

As we get older, stress and strain, over-exertion, excessive smoking or exposure to cold sometimes shows down kidney function. This may lead many folks to conclude that backaches and stiffness are due to age or to a "bad back." Getting up nights or frequent passages may result from minor bladder irritations due to cold, dampness or dietary habits.

If your discomforts are due to these causes, don't wait for Dr. Dean's Pills, a mild diuretic, used successfully by millions for over 40 years. While these symptoms may otherwise occur, it's amazing how many times Dr. Dean's Pills help to help the 15 million of kidney tubes and filters flush out waste. Get Dean's Pills today!

Clarence L. McKinsey, 727 South Ludlow Street, Dayton, Ohio, who is night supervisor of hospital attendants at the Ohio State Hospital in Dayton, says a man has trouble getting used to working nights and sleeping the proper rest it not only makes him groggy on the job, but also makes him feel poorly the rest of the time. This will never happen to him again, says Mr. McKinsey—now that he is taking HADACOL. His system lacked those necessary Vitamins B1, B2, Iron, and Niacin, which HADACOL contains.

Here is Mr. McKinsey's own statement:

"Before I started taking HADACOL I had a great deal of trouble with a nervous stomach. I had an awful hard time sleeping—I would just roll and toss all night. It affected me during my working hours, too—I was restless and nervous all the time. My nerves were so jumpy that I had little things that I would do on edge. I was just beside myself in knowing what to do. Then I heard how other folks that were nervous and rundown were being helped by HADACOL. I decided to try HADACOL. Now, after 10 bottles of HADACOL, I feel fine; in fact, I think so much of HADACOL I would walk 5 miles for a bottle of HADACOL—I'm not exaggerating. Why, the way I sleep and the appetite I have are marvelous. The best thing is that my nerves are calm as they can be. I just can't praise HADACOL enough."

Thousands Have Been Helped by HADACOL whose systems lacked Vitamins B1, B2, Iron, and Niacin. The HADACOL formula is so effective for stomach distress, certain nervous disorders, insomnia due to upset stomach, nagging aches and pains, and a general run-down condition when these troubles are caused by such deficiencies.

Give HADACOL a Chance... to help you, as it has helped thousands of others if you suffer from such deficiencies. Remember, there are no substitutes for HADACOL. Always insist on the genuine HADACOL. No risk involved. Buy a bottle of HADACOL either the trial size, \$1.25, or the large family or hospital size, \$3.50, and if HADACOL doesn't help you, you get your money back. If your druggist does not have HADACOL, order it direct from The LeRanc Corporation, Lafayette, Louisiana.
