### The Sunday Spotlight

## More Record Suggestions

By request, we're giving you some more Christ-mas record recommendations today. Several readers thought the list of a fortnight ago was a good idea, although they couldn't agree on some of the

selections.

Nobody expected, or expects, unanimous ap proval of such suggestions. Anyway, here are some more in widely varied types and

with equally varied appeal:
"Symphony in Brief," Colum-"Symphony in Brief," Columbia Symphony orchestra under Charles O'Connell . . Excerpts from great symphonies and tone poems, chosen because each seems "to contain the very essence of the symphony." These represent Mozart's 40th, Beethoven's "Eroica," Mendelssohn's "Scotch," Brahms' first, Rimsky-Korsakow's "Scheherazade," Sibelius' second, Franck's, Tschaikowsky's fourth. (Columbia).

(Columbia).

"Dinner Music," Ralph Ginsburg and his Palmer House ensemble . . Familiar tunes in Ginsburg's familiar style; nice conversation background. "Night and Day," "I'll Follow My Secret Heart," "Deep Purple," "I've Told Every Little Star," "All the Things You Are," "Diane," "Smoke Gets in Your Eyes," "Etyle for Violins and Love." (Columbia).

Eyes," "Etude for Violins and Love." (Columbia).

"A Promenade Concert," London Symphony orchestra under George Weldon . . . Highlights from some of the orchestra's "pops" concerts. "Bacchanala" from "Samson and Delilah," "Danse Macabre," Casella's transcription of Balakirev's "Islamey," "Cortege des Nobles" from "Mlada," (M-G-M)

"The Golden Twenties," Morton Gould's orchestro . . Gould's own arrangements of such hits as "Stumbling," "Avalon," "Charleston," "I'll See You in My Dreams," others. (Columbia).

Sir Thomas Beecham: This LP disc was mentioned here some weeks and her some waste and

tioned here some weeks ago, but appears again because of Sir Thomas' appearance in Madison on Monday night. He conducts the Royal Philharmonic in Von Suppe's "Morning, Noon, and Night in Vienna" overture and Strauss' "Morning Papers Waltz" and the Columbia Symphony

in "Dance of the Hours" from "La Gioconda" and "The Merry Wives of Windsor" overture by Nicolai. (Columbia).

and "The Merry Wives of Windsor Overture by Nicolai. (Columbia).

"Merry Christmas," Gene Autry . . . Eight songs the kids will love on a 10-inch LP record "Frosty 9:15 a. m. — Bethel Lutheran the Snow Man," "Rudolph the Red-Nosed Reindeet," (WIBA): "The World's Biggest "Here Comes Santa Claus," others. (Columbia).

"Christmas Music for Orchestra," Morton Gould arrangements." The Rainbow Bridge "The Reinback of the Rev. Columbia arrangements."

the Snow Man," "Hudolph the Red-Nosed Reinneer, "Here Comes Santa Claus," others. (Columbia).
"Christmas Music for Orchestra," Morton Gould anthem, "The Rainbow Bridge and his orchestra ... More Gould arrangements, but less showy than some. They are "Serenade of Carols for Small Orchestra" and "Suite of Christmas Hymns"—mostly well-known melodies. (Columbia) "Fred I. Carins."

10 3 m. — Religion in a Democratical Properties of Christmas Hymns"—mostly well-known melodies. (Columbia) "Fred I. Carins."

"Popular Favorites," various singers and orchestras . . . If you want to give somebody a compact survey of hit tunes of the past year, here's the answer. Columbia has issued three sets, of which this department has heard the second and third. One includes "American Beauty ond and third. One includes "American Beauty Rose" (Sinatra), "It's Nice to Have a Man Around the House" (Shore), "Hoop-de-Doo" (Doris Day), "Candy and Cake" (Godfrey), four others. In Volume 3 are "Tzena, Tzena, Tzena" (Mitch Miller—an outstanding arrangement with some extraordinary horn playing), "Mona Lisa" (James), "Harbor Lights" (Sammy Kaye), "Goodnight, Irene" (Sinatra), "Sometime (Mariners), "Can Anyonne Explain," (Shore), "I Cross My Fingers" (Faith), and "Darn That Dream" (Doris Day)

Lily Pons Sings Debussy" . . . Claire de Lune,"
"Puppets," "Starry Summer Night," "Behold the
Spring," many other (Columbia).

Spring," many other (Columbia).

## Pan's Act Led to 'Panic'

The Arcadla of ancient Greece was named in song and story. It was supposed to be a place where farmers and shepherds were happy. Perhaps most important, it was the fabled home of Pan; people sometimes sanks of him as "the great".

One day (as the stories relate) a messenger from Athens entered Arcadia. This man was on his way to Sparta to ask the Spartans to help them flight off an invasion of reason for it. A story spread in Athens that Pan had appeared on Athens that Pan had appeared on the Marathon battlefield, and that

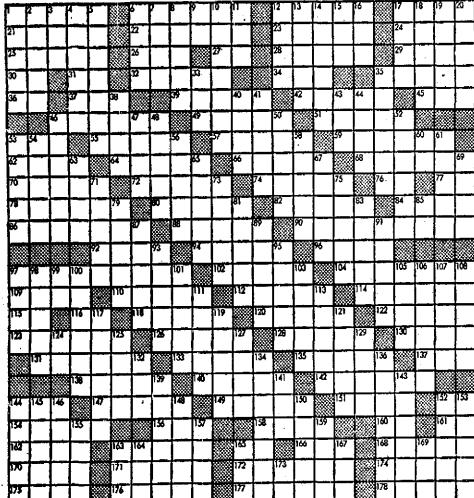

fabled home of Pan; people sometimes spoke of him as "the great god Pan."

Guarded Sheep and Goats
Pan was said to take special care of shepherds. He also guard—

Why does your city fail to reason for the origin of "panic."

Athens that Pan had appeared on the Marathon battlefield, and that he had made the Persians so fear-ful that they had turned and field. This story has been used as the reason for the origin of "panic."
