**7:30—KNX**—Have any "beefs" you want a lot of people to hear about? Have anything interesting you would like to tell the general public? If so, you can... for "A Dollar a Minute"... that's what it costs you... and that's also the name of the show.

**8:30—KFI**—Charles Boyer will be heard as the planner who designed Washington, D. C., in "The Grand Design" on "Cavalcade of America" tonight. The plans were commissioned by President Washington in 1790.
