YOU MAY HAVE PIN-WORMS AND NOT KNOW IT!

Fidgeting, none-picking and a tor-menting rectal itch are often tell-tale signs of Pin-Worms. ... unly parasites that medical experts say infect one out of every three per-sons examined. Entire families may be victims and not know it. may be victims and not know it.

To get rid of Pin-Worms, these
posts must not only be killed, but
killed in the large intestine where
they live and multiply. That's exactly what Japhe's P-W tablets do
and here's how they do it.

First—a scientific coating carfrest the tablets into the bowels befere they dissolve. Then—Japhe's
modern, medically-approved ingredient goes right to work—killPin-Worms quickly and casily.
