'E' Bond Cashing Appears Likely to Beat Buying

ommended today a program of WASHINGTON, Dec. 16. (49) mutual aid to be used in the Cash ins of Series E bonds seem virtually certain to exceed purchases this year for the first in the Sixth Army area and Ha-time since the bonds were put wall, Alaska and adjoining areas on sale in 1941 as part of the of Canada and Mexico. | World War II defense drive. World War II defense drive.

Treasury records showed to-day that eash-ins, after topping purchases for seven consecutive months, had reached a total of \$3,384,000,000 for the 1950 period up to December and were running \$178,000,000 above purchases.

This month would have to both a charm reversel of the re-

show a sharp reversal of the re-cent past—and do better than De-cember, 1949—to keep intact the E Bond record of greater purchases than redemptions every

chases than redemptions every year. In December last year, purchases totaled \$377,000,000 and were \$80,000,000 above cash-ins.

The margin by which cash-ins exceeded purchases last month was \$72,000,000 on a redemption volume of \$318,000,000. The cash-in margins in August. September and October, respectively, were \$124,000,000, \$104,000,000 and \$89,000,000. reflecting a steady decline since the post-Korea buying rush.

Bond purchases for 1950 as a whole are expected to fall below \$4,000,000,000 for the first time since 1942.

ENUMCLAW, Wash., Dec. 16. were the best miners in the whole world. The way they did was the only way. If they had done it rapped 400 feet below the earth's been crushed.

OUT OUR WAY

West's Industries Ready to Boost War Production Los angeles, Dec. 16. (IE) Industry along the west coast marshaled its forces today to Courts. Industry along the west coast marshaled its forces today to Courts. Industry lindings of the board attorney. J. Leonard Townsend, solicitor for the FRB, said a decision probably would be made by the full Federal Reserve Board by June. Transamerica was accused under the Clayton act of "tending toward monopoly" in its banking and legal annais, the Federal Reserve Board acted as complainant and judge in the hearing, although to appeal to regular federal courts. By Angelo West's Industries

marshaled its forces today to courts. meet President Truman's call for Increased war production, but a spokeesman for Southern Call-fornia's vast aircraft industry [1948]. The FRB filed the complaint in June, 1948, and the long series of hearings began soon after. More than 700 exhibits and near-fornia's vast aircraft industry [1928] million words of testimony.

He was confident the Presi-

Henry J. Kalser, Industrial genius of World War II, responded to the Presidential alert with an announcement that his wild spread steel, aluminum and autoplants were ready to help build an arsenal for the free world.

Kaiser said his Kaiser-Frazer Corp. has completed studies on how it can help fill the urgent need for military aircraft. This was the first official confirmation that he was preparing to convert part of his manufacturing empire to airplane production.

Kaiser-Frazer autos are built at the giant Willow Run plant, which served as a bymber factory during World War II.

Kaiser also announced that his engineers were "far advanced" on design work for a new type of ship to "meeet conditions of sea and atomic warfare."

BIG EXPANSION

He recently revealed the Kaiser enterprises were launching a \$00,000,000 expansion.

Thief Takes Purse, Christmas Savings

A purse containing Christmas savings of \$40 was stolen from the counter of a store in the 400 block on Pine Ave, where she was shopping, Mrs. Freda Wadell, 235 Truman Boyd Manor, reported to police yesterday after-

The purse was left on the counter briefly while she was making a purchase, it was reported, and neither Mrs. Wadell nor the saleswoman waiting or her could describe a suspect. sides cash the purse contained papers of importance to Mrs. Wa-dell and her husband, she said.

Crippled Seagull Assisted by Shelter The bird with a broken pinion

may never again soar high, but it attains a certain distinction. Seagulls soaring over the sea-wall at the Auditorium are a common sight, but a seagull grounded on the shuffleboard court in the park there because of a broken wing was the center of interest yesterday. The Long Beach Animal Sheller was noti-fied of the bird's plight and Robert Sharkey of the shelter caught the bird and turned it over to a veterinarian for treatment.

Transamerica's Case Ends, Ruling Expected by June

SAN FRANCISCO, Dec. 16, 002 Final exhibits and testimony ended nearly two years of hearings by the Federal Reserve Board on monopoly charges against Transamerica yesterday.

The opposing attorneys were given until April 2, 1951, to sub-mit their suggested findings of fact and conclusions of law be-fore Hearing Officer Rudolph M. Evans.

Transamerica attorneys were given an additional 20 days to file briefs answering the suggested findings of the board attorney. J.

fornia's vast aircraft industry warned the job would not be easy.

President Robert E. Gross of Lockheed Aircraft Co. said the industry would be able to fill the President's demand for a five-fold increase in airplane production.

"We did it before, and we can do it again," Gross said.

But an industry spokesman who asked not to be identified said Southern California's airplane plants were in almost the same position they were in at the outbreak of World War II.

He was confident the President warned the transamerica of the world and said its principal bank. Bank of America, San in the country.

The board claimed it controlled to banks with 600 branches.

He was confident the President's goal would be reached, but only if the industry has access to a rapidly increasing flow of raw materials, machinery and manpower. KAISER RESPONDS HOLDES Nabbed

ly since the outbreak of the Korean war, but still is far short of the World War II peak.

Almost 100,000 persons now are employed in industries producing annual Christmas party at 8 about half the nation's aircraft. Top employment during World War II was 323,000.

Members of the Long Beach Mounted Police will hold their annual Christmas party at 8 o'clock tonight in the group's clubhouse. A buffet dinner of ham and turkey will be served and music for dancing will be by

I. L. W. U., according to Art Olsen, secretary of the local.

He said that cast coast long-stended a Christmas dinner given shoremen had refused to handle last night by the local chapter of cargoes from Communist countries and were told by the government that they could not take criment that they could not take such action.

"Our members decided that the partment, provided music for the best way to stop such cargoes is singing of carols. The dinner was for the President to place a strict served by a committee of women is "faced with the possibility of ladies" auxiliary is in charge of ladies' auxiliary is in charge of
