Francis C. Hood, 4419 Wabash, Kansas City, Mo., says that HADACOL has done so much for him to help give him the vitality he now has since he found out his system was deficient in Vitamins B1, B2, Niacin and Iron, that he wants to fill his pick-up truck full of HADACOL and give it to folks suffering from the same de-

full of HADACOL and give it to folks suffering from the same deficiencies—so they too, can be put on the road to feeling better.

This is Mr. Hood's statement:

"Before I started taking HADA-COL I was very nervous and sleepy all the time. Seems like no sleepy all the time. Seems like no matter how much sleep I tried to get, it didn't work—I would just toss and turn all night. Then in the daytime I would be groggy and sleepy—I just felt miserable all the time. It really got me down—I was beside myself in knowing just what to do. Then one day I heard how HADACOL had helped many other folks.

"Now after taking 6 bottles of HADACOL, I get a wonderful night's sleep and never wake up once during the night. I'm not a bit nervous any more either. In fact, right now I feel better than I have ever felt in my life, thanks to HADACOL."
