## Daughter Agrees That "Mother Knows Best!"

Folks in the city and in the country often disagree on many things, but they all nod their heads in agreement when they hear the familiar quotation, "Mother knows best." Mothers seem to have a way of knowing what is best for their sons and daughters. For example, Mrs. R. H. Holder, 221 Montgomery, Columbia, Ala., certainly agrees with this, for at one time Mrs. Holder was nervous and run-down—she felt miserable. Her mother recommended that she take HADACOL and now Mrs. Holder says, "Today I feel wonderful, just wonderful, and I owe it to HADACOL." Mrs. Holder was suffering a deficiency of Vitamins B<sub>1</sub>, B<sub>2</sub>, B<sub>6</sub>, and Iron, which HADACOL contains.

Mrs. Holder says: "I was nervous and run-down and I had lost weight and had no appetite—I food just didn't interest me! I had aches and pains. I felt miserable. My mother started taking HADACOL and it did her so much good that I decided to give it a try. After the first bottle I noticed an improvement. After the second bottle I felt better. I have now taken 6 bottles and feel grand. I am no longer nervous or run-down. I have loads of energy. I have a big appetite and have regained the weight I had lost. No more aches or pains, either. Today I feel wonderful, just wonderful, and I owe it to HADACOL for it has done so much for me. I just can't praise it enough."
