Gas Department Head Will Retire

William H. Partridge, superintendent of the gas department since 1939 and for 27 years a municipal employe, will retire Feb. 1, the city manager's office announced today.

He was employed by Southern Counties Gas Company when the city acquired it in 1924 and became general foreman of the new municipal gas department at that time.

Partridge saw this department grow into a multimillion-dollar business, which during the past 18 years has contributed approximately \$21,000,000 to the city's general fund and saved the taxpayers millions of dollars.

Recognized as "a practical gas man," he pioneered in fighting so-called "hot" soil condition in Long Beach, which tend to destroy mains and laterals by corrosion.

In 1939 he introduced the use of a new type of gas pipe here, treated and wrapped in his department's own shops. This pipe is designed to withstand "hot" soil for 30 to 40 years.

He became assistant superintendent in 1926 and chief engineer the following year. He came to Long Beach from Indiana. The family home is at 2417 E. Fifth St.

Assistant Superintendent L. L. Bendinger was named acting superintendent of the gas department by the city manager, effective today.

Partridge will start a vacation Monday and will not return to work.

Last night, departmental employes gave him a testimonial dinner at Gas Plant No. 1, W. Ninth St. and Edison Ave. Vickers presented him with a certificate in recognition of his work, signed by the city manager and Mayor Burton W. Chace.

'Sacrament' Topic of Lesson-sermon

The importance of spiritual worship of God and of secret communion with Him will be stressed in the Sunday lesson-sermon on "Sacrament" in all Christian Science churches.

This declaration of John is the Golden Text: "The bread of God is he which cometh down from heaven, and giveth life unto the world."

A correlative citation from "Science and Health with Key to the Scriptures" by Mary Baker Eddy says: "Whatever materializes worship hinders man's spiritual growth and keeps him from demonstrating his power over error." (4:32).
