MERGER OF U.S.O., OTHER SERVICE GROUPS PLANNED

Plans for merging of the Associated Services for the Armed Forces and the United Service Organizations are being made and the details of the amalgamation will be announced soon, the San Antonio A.S.A.F. Committee has been informed.

A joint statement by Firestone and Dechert says, "We count on the continued support of every community in the nation which has given such substantial help to the work of our organizations in the past and we request each of them to continue their efforts on behalf of the expanded work of the consolidated organizations. Such support by local committees and local Community Chests is the backbone of the strength of both organizations, now consolidated into one."

Harvey S. Firestone, Jr., president of U.S.O., and Robert Dechert, national chairman of A.S.A.F. have been working on plans for the merger.

It is proposed that the San Antonio A.S.A.F. Committee, of which Lewis W. Bailey is presently chairman, and which is now a member of the Community Chest, shall remain active in the new servicemen's morale organization.

Member agencies of the A.S.A.F. are the Armed Forces Y.M.C.A., the National Catholic Community Service and the National Jewish Welfare Board. Also included in the new U.S.O. will be the Young Women's Christian Association, National Travelers Aid, Salvation Army and Camp Shows.
