Nothing Better Than Good Food, Says Ohio Man

If a man isn't able to eat the foods he likes he's in mighty sorry shape—imagine going through life without being able to enjoy a fine bit of platter of bacon and eggs. That is the way Joseph N. Damill, 3413 E. 6th Street, Dayton, Ohio, used to be, but since he has been taking HADACOL, he says he feels just fine and is able to enjoy lots and lots of fine foods. Mr. Damill found that taking HADACOL helped his system overcome a deficiency of vitamins B1, B2, Niacin and Iron. Here is Mr. Damill's statement: "My first bottle of HADACOL convinced me that HADACOL was what I needed for the gas on my stomach at night. I could not keep food on my stomach, but after the first bottle I was going great. Now I eat bacon and eggs and other foods that never would stay with me. I also can sleep well at night. Thanks to HADACOL, I will never be without it, and can recommend it to all who suffer with the above ailments that I had. I know because I have suffered for quite some time."

Mrs. Bord's Experience With Dandruff

CORPUS CHRISTI, TEX.—Mrs. Mildred Bord, Rt. 1, Box 85, Corpus Christi, Tex., says: "I want to tell the world Baker's Hair Tonic can't be beat for relief from the embarrassment caused by dandruff and itchy scalp. Why do I want others to know about it? Because it has meant so much to me. Before I started using Baker's about nine months ago, I had tried practically everything that I heard of for relief of the torment caused by dandruff and itchy scalp. I had scratched my head until it was sore. It is difficult to describe my joy over finding relief from the torment and embarrassment caused by dandruff and itchy scalp. I will never be without this splendid product again, and others will feel the same way after they try it." For dandruff and itchy scalp use Baker's Hair Tonic and for clean scalp and lustrous hair use Baker's "Latherin" Shampoo. Get them both at your drug store, barber shop or beauty shop. You'll be delighted with results, or the makers of Baker's will refund every penny of your money.—Adv.
