## MAY BE A FAMILY AFFAIR

Fidgeting, nose-picking and a tormenting rectal itch are often tell-tale aigns of Pin-Worms...ugly parasites that medical experts say infest one out of every three persons examined. Entire families may be victims and not know it.

To get rid of Pin-Worms, these posts must not only be killed, but killed in the large intestine where they live and multiply. That's excity what Layne's PW tablets accept the layne in the bowds before they dissolve. Then—Jayne's modern, medically-approved ingredient goes right to work—kills Pin-Worms culckly and easily.
