showing at the Memorial Union is rather meager, marvelous "Martyrdom of St. Stefan." The real 10 a.m. — Religion for Today one of the delightful paintings is the "St. Trajo" subject matter of this piece is the amazing cruelty (WIBA): "How Shall Greatness Be by an unknown painter. The kindly effects of time of the jagged lines and paint stashes which were Measured?," Fred I. Cairns. subduting the clumsier portions of the painting has brought into being by the literal subject matter that Orozco handled. The men, who appear to be created an amazing tracery of gold leaf pattern.

An example of the de-

> is a subtle relationship of cool tones which are held Faith," the Rev. W. B. Waltmire. io a powerful abstract scheme.

His "Flute Player" is an example of his later work when he came under the influence of the Parisian school, notably Picasso. In spite of this however, the painting is highly personal, and again there is a display of beautifully subdued color. The exquisite blues, greens, and reds are skillfully harmonized by the device of allowing minute flecks

of hare canvas to show. Jesus Guerrero Galvan is another Mexican artist who was influenced by Picasso. His "Children at Play" is a piece which could be dangerously sentimental and sweet, but the distortions he uses which are reminiscent of Picasso's classic period skillfully saves it from this.

"The Mayor of Palzeuaro" is a very handsome
primitive painting. The details in which the unamong the most expressive that have been turned
