For Irregularity

in Your Diet

Try PETTIJOHNS Breakfast Plan Doctors say that irregularity may easily keep you from feeling bright and chip-per—up to your real self for a time.

Now here's a natural food way to combat this condition when due to a lack of bulk in your diet.

Pettijohns is the flavorful hot break-fast of whole wheat with all the bran left in. And food experts say bran is a wonderful regulator for those who suf-fer from lack of bulk in their diet. So eat Pettijohns whole-grain cercal every morning for a week and see if your logy, sluggish feeling doesn't disappear, and you feel consequency.
