

Typographers Honor Pioneers of Service

AT ONE of the most notable ceremonies of the kind, by Long Beach Typographical Union 650, tomorrow at 1 p. m. in Labor Temple five members will receive 40-year emblems, two 50-year emblems and one lapel button indicative of 60 years of membership in the International Typographical Union.

Also to be observed will be the 46th anniversary of "Six-Fifty," which was chartered in March, 1905, and now comprises 200 members.

Larkin N. Martin will receive the 60-year emblem. He was obligated at Atchison, Kan., in June, 1889.

Recipients of 50-year pins will be Jesse O. Lawrence, obligated in October, 1892, at Aspen, Colo., and Harry J. Beam, obligated in December, 1897, at Port Huron, Mich.

Forty-year pin recipients will be Frank Simmons and H. A. McIntire of the Independent; Hardy E. Ruwolson, and Percy R. Wallis, who learned his trade in England, and C. J. Nichols, co-proprietor with his son of the Service Typsetting Co. Nichols and Simmons were obligated in the Des Moines Typographical Union at the same time, March 25, 1911.

Other 50-year members include W. R. Bloom, Press-Telegram linotype operator, and Norman Cozby, Seaside Printing Co. owner.

Holders of 40-year buttons in the local union include the following Press-Telegram employees: R. N. Dungan, William B. Elms (retired), George M. Ginder (retired), Carl B. Hesford (retired), former secretary-treasurer of the local; George R. Merritt (retired), Earl L. Milligan, George G. Pearson, Henry J. Rosgen, Percy L. Steidley, Lester C. Williams, former local president, E. A. Harding, Archie Hahn and Jerry J. Sullivan.

Other 40-year members in the local include Nathan Boam, independent; O. E. Gaylord, Cagle Zo, Gillis, charter member, and an organizer of San Pedro Typographical Union 862; Raymond H. Seares and John D. Sweeney, Seaside Printing Co.

Railroads to Ask 15-pct Increase in Freight Rates

CHICAGO, March 24. (AP) The nation's railroads are going to ask the Interstate Commerce Commission for a 15-per-cent increase in freight rates.

The new request will be a substitute of a petition on Jan. 16 asking for a 6-per-cent boost in freight rates. The carriers have been granted eight increases in freight rates on a national basis since 1946.

The railroads, in boosting their original request from 6 to 15 per cent, said that more than \$950,000,000 will be added to their annual costs because of higher wages and prices of supplies and materials.

The ICC on March 11 approved an interim freight rate boost of 4 per cent in eastern territories and 2 per cent in other areas.

Postwar increases in freight rates average 57 per cent and have been estimated by the ICC to have added about \$3,000,000,000 annually to freight charges.

Non-Red French Unions Call Off Railroad Strike

PARIS, March 24. (AP) Non-Communist railroad unions ordered their 100,000 members to return to work today after the government promised France's 25,000,000 workers a wage increase to end a strike epidemic that threatened the nation's economy.

Premier Henri Queuille announced last night, after a 5 1/2-hour cabinet meeting, that minimum wages will be raised 11.5 per cent, with corresponding increases on all wage levels.

This was less than the 15 per cent demanded by the labor unions and about 1 per cent less than the estimated rise in prices since last August.

However, the Socialist Force Ouvriere (FO) and the autonomous rail unions, which yesterday ordered their 100,000 members to extend a two-day strike another 48 hours, immediately ordered the men back to work.

Communist unions made no move to end the strikes, which have spread across the country in the past week.

Youth for Christ Speaker Changed

Owing to unforeseen circumstances, Dr. J. Vernon McGee of the Church of the Open Door will be unable to speak at the Christian Easter Sunrise service at Recreation Park band shell tomorrow, Harold Holstein, chairman, announced.

Instead, Dr. Russell M. Brougher, nationally known evangelist and lecturer, will speak.

Miss Joanna Pagnones, soloist of Second Presbyterian Church, Long Beach, and Mrs. Joanne Holstein, pianist, will be on the program. Max Williams will be the song leader.

Marine Corps Planning Release of Reservists Called to Duty in War

WASHINGTON, March 24. (AP) The Marine Corps hopes to be the first of the fighting services to spell out a program for the release of reservists called to duty by fighting in Korea.

Marine sources said today the projected plan calls for the release of the first Marine reservists this summer, and the return to civilian life of all reservists who so desire by the end of 1952. A small number of Marines has been returned to this country from Korea under a combat service rotation plan.

The Marine release schedule is so framed that it can be canceled if world development demand.

The Marines called all their group troop reserve and many of their air reserves to active duty last summer. Present law limits active duty to 21 months, unless the Secretary of the Navy orders an extension under national emergency authority.

Marine sources interviewed said that as of this moment an extension of service for reservists is not planned.

The release of Marine reservists also is judged by a provision making the program dependent upon the speed with which recruiting and training programs operate. This provision is unlikely to delay the start of the reserve release schedule, because the Marine Corps now is within a few thousand of its 200,000-man ceiling.

All the services have been planning reserve release programs since last October, when the Defense Department set forth what it termed "an orderly procedure" for the calling up and discharge of reserves. The entry of the Chinese Communists into the war in Korea put that procedure on the shelf.

However, disclosures this week showed how the military build-up has changed for the better.

First, it officially was revealed that since the fighting began in Korea the armed forces have doubled their strength.

Next, Assistant Defense Secretary Anna Rosenberg, talking about manpower problems with the Senate small business committee, said without elaboration that in April the Defense Department expects for the first time to meet Gen. Douglas MacArthur's manpower calls.

Yesterday the Army announced it is cutting its April draft call from 80,000 to 40,000. The Army said enlistments in January and February were 46,000 in place of an expected 20,000 and that casualties in Korea were 16,000 fewer than had been anticipated.

Dealer in Casino Shoots 2, Kills Self

HAWTHORNE, Nev., March 24. (AP) A gambling-house dealer, who committed suicide after shooting two persons, scribbled his will on the back of a bingo ticket and apologized for wounding a girl he didn't know, police said today.

The girl, Marie Diggins, 35, a civil service employe, was in critical condition in a local hospital. She was shot in the stomach yesterday at Club 222 when she tried to grab a gun from Volle Gonco, the dealer, after he shot another dealer.

Gonco approached Frank Erickson, 37, snailing, "I've waited a long time for this."

Witnesses said he pulled a gun from his pocket and shot Erickson, wounding him.

At this point, Miss Diggins tried to grab the gun. Gonco screamed, "I'll blast you, too!" Then he shot her.

Undersheriff Lewis Kuhl, of Mineral County, said Gonco fled in his car. His body was found near a lonely road in the barren hills near Hawthorne.

Officers found a bingo ticket near the body. On the ticket was scrawled a will, leaving everything to his wife.

The note blasted "the people of Hawthorne, who can't mind their own damned business" and said "it's too bad the girl, whoever she is, couldn't mind her own business."

Army Begins Enlisting Iron Curtain Refugees

WASHINGTON, March 24. (AP) The Army instructed its command in Germany today to start enlisting up to 2500 refugees from behind the Iron Curtain. This action is authorized by recently enacted legislation.

The Army announcement said the aliens to be enlisted would be neither nationals of Germany or any country participating in the European Recovery Plan nor of the North Atlantic Treaty Organization. This, of course, leaves available only nations of countries now under Communist control.

The Army said this "will bring nonresident foreign nations into the United States Army for the first time in its history."

A spokesman, in answer to questions, said the several thousand South Koreans who served in American Army units last year were not sworn into the Army. They were "integrated" individually into elements of American divisions to build up the combat strength of the units until increments could be sent to the United States, he explained.

The foreign nationals to be enlisted in Germany must be between 18 and 35 and sign up for a five-year period. After completion of the first enlistment and if honorably discharged, the aliens will be considered to have been legally admitted into the United States for purpose of starting citizenship procedure.

The Army said the aliens who apply for enlistments must meet "stringent requirements that insure their reliability" and that all would be "given a background investigation to eliminate persons considered all unreliable persons."

It did not explain how investigations would be made of persons whose "background" was behind the Iron Curtain. One of the requirements is that the enlistee "possess sufficient English language literacy" to absorb training and perform his duty.

Enlistees will be put, unassigned, into the Regular Army in the grade of private and transferred immediately to the United States for completion of reception processing, basic training and assignment to units.

Driver Hurt When Car Strikes Pole

Losing control of his automobile, Robert Vance Jr., 37, of 1123 E. 33rd St., was injured critically about 2 a. m. today when his car ran off Cerritos Ave., one and one-quarter miles west of Hanson Rd., in Los Alamitos district, and hit a telephone pole.

California Highway Patrolmen from the Orange County squad said they were unable to determine cause of the accident; no other vehicle was involved. They transferred Vance to the Community Hospital where his injuries were diagnosed as a broken neck and undetermined damage to the spinal cord. Vance's car was virtually a wreck.

Seaplane Tender Returns From Patrol

PEARL HARBOR, T. H., March 24. (AP) The Navy seaplane tender USS Salisbury Sound was scheduled to arrive here today, en route to San Diego after eight months of patrol duty in Asiatic waters.

The Salisbury Sound is one of the largest seaplane tenders in the Pacific fleet, capable of supporting large Navy patrol planes as an advanced base seadrome.

Mysterious Bullet Strikes Door Frame

A .38-caliber bullet was mistaken for a rock last night but no one was injured.

Mrs. Margaret Carico, 1025 Newport Ave., today told police that she thought she heard someone throw a rock at her door about 9:30 p. m.

When she went out to investigate, she could find no trace of the rock or of the rock-thrower.

Her husband, Russell, this morning found the bullet imbedded in the wood just above the door, according to police.

Camp, Bellflower, and Mrs. Nick Stell, Chicago, Ill.; son, William R. McLean, San Jacinto; brother, Charles Hammond, Paso Robles; sister, Mrs. Hester Carl, Rice

LOS ANGELES, March 24. (AP) With summer on the way, the gravity of Southern California's water shortage was emphasized again today in a survey conducted by the Santa Fe Railway.

It shows that water tables are dropping at an alarming rate, that reservoirs are far short of their normal capacity, and that at least one community is considering water rationing.

Los Angeles County has had only 6.43 inches of rain to date. The normal is 12.65 inches. The annual rainfall figure hasn't approached that mark in more than six years.

The result is, the survey pointed out, that reservoirs behind two San Gabriel Canyon dams have but 1 per cent of capacity. The Tujunga Dam has only about 10 per cent.

The report added that Santa Barbara is considering water rationing for all city purposes, that Lake Hemet in Riverside County is nearly dry, that the Big Bear reservoir contains only one-sixth of its capacity.

The railroad said the drought will not seriously cut into crop shipments by rail this year, but it opined that irrigation costs are going to be much higher.

Condition of Mrs. Ellen Mott, 69, of 3612 Myrtle Ave., who was severely burned when her dress was ignited, apparently by the flame of an open gas heater at her home, still is critical, it is reported at Harbor General Hospital, Torrance. She was transferred from Seaside Hospital to Harbor General.

Mrs. Mott was alone at the time her dress caught fire. Police reported that she ran into the yard attempting to tear off her burning garment.

Policemen Taylor, Oberg Will Retire

Sgt. Robert A. Taylor, police department desk sergeant, yesterday filed his application for pension under the fire and police pension system, after more than 26 years of service. For a number of years he was rangemaster at the police pistol range. The rest of his service was in the uniformed division.

Francis L. Oberg, head of the check detail of the police department for a number of years, has filed his application for retirement. He has more than 21 years of service, most of which has been on the forgery detail of the department.

\$12,000 Theft Made Convenient by Victim

NEWARK, N. J., March 24. (AP) Mrs. Violet Klemme of South Orange put all her eggs in one basket—and regretted it.

She packed \$12,000 in cash and jewelry into her pocketbook because, she told police yesterday, she was expecting painters and didn't want to leave the valuables in the house.

When she got to her Newark business office, she said, she placed the laden pocketbook on top of a filing cabinet from where it was snatched by a sneak thief.

Fort Ord Leader Gets Greece Task

SAN FRANCISCO, March 24. (AP) Maj. Gen. Robert T. Frederick will be the new chief of the Joint U. S. military air group to Greece, the Army announced today.

Gen. Frederick, now commanding the Sixth Infantry Division (training) at Fort Ord, Calif., will succeed Maj. Gen. Reuben E. Jenkins in the post. He is scheduled to start his new duties in May.

Training Plane's Crash Kills Two

SAN ANGELO, Texas, March 24. (AP) Two men were killed late yesterday when the Air Force training plane they were flying crashed near here.

The dead were Second Lt. James R. Esler, Jr., 25, of Alden, Pa., and Aviation Cadet William A. Deaton, son of Roy Deaton, Tulsa, Okla.
