Presiding at the meeting were Clifford Evans of Bridgeport, commander, and Irene McCarthy of Norwich, president. DAUGHTER IS BORN TO THAILAND QUEEN

LAUSANNE, Switzerland, April 6.—(AP) Queen Sirikit of Thailand gave birth to a daughter in a Lausanne clinic last night.

The queen married the youthful monarch of Thailand, King Phumiphon (Rama IX) in Bangkok last spring. They returned to Lausanne, where the King is continuing his studies.

A member of the King's household announced today that the royal family definitely would return to Thailand in October or November.

Both the queen and the princess were reported doing well.

RESULTS ACHIEVED

KNOXVILLE, Tenn., April 6.—(AP) A spectator took a seat just as Judge H. O. Pollard convened court yesterday and demanded: "Come on, come on, let's have some action."

The action came slowly but surely. After the spectator repeated his demands in subsequent lulls, a deputy sheriff escorted him to jail. He was charged with drunkenness.

TV TOWER DELAYED

Yesterday's New York Times quoted Dr. Frank G. Kerr, consulting engineer for the new multiple-antenna television project atop the Empire State building, as saying that July 1 would be a safe estimate for the start of construction from the tower. It all depends on the weather, he said, pointing out that out of 66 working days this year, engineers could work on the tower less than one-third of the time because of bad weather.

FBI SEIZES GEMS WORTH \$32,800

NEW ORLEANS, April 6.—(AP) An expectant mother's tip led FBI agents to a \$32,800 cache of missing jewelry stashed away in a bank deposit box here.

Carrying out a court order, agents opened a deposit box yesterday and found a platinum diamond bracelet valued at \$24,000, a diamond wristwatch, earrings and clip pin.

They matched a description of pieces missing from about \$90,000 worth of jewelry bought from New York dealers last October by Ephraim Lishansky. The dealers say Lishansky paid for them with a check that bounced.

About \$63,000 worth of the gems was recovered when Lishansky was arrested in Pasadena, Calif., in January. Lishansky and his wife operated a jewelry store at the time.

The 33-year-old former jeweler is now in Federal prison at Milan, Mich., on charges in connection with the check. Mrs. Lishansky, 23, who is expecting her second child in the fall, is in Wayne County jail at Detroit on similar charges.

She told FBI agents at Detroit she would try to give them information on the missing jewelry if she could get her \$25,000 bond reduced in time to have her baby outside the jail.

She was allowed to visit her husband briefly and after the visit, Lishansky told the FBI to look in a safety deposit box in a branch of the Whitney National bank at New Orleans. He said the box was rented in the name of James Phillips.

It was in that box that the FBI found the missing jewels.

On radio, the same races will be described over WLAB-ABC or WGBS at 4 p. m. The WICCMBS network will cover the Laurel Stakes from Laurel, Md., tomorrow at 4:30.
