BE YOUR OWN WHISKEY EXPERT!

Depend on your own taste to pick the brand that really satisfies. Because the whiskey that tastes best is the one to buy.

That's why we invite you to compare Calvert and your present brand. We honestly believe you will choose smoother, mellower Calvert Reserve. But if you still prefer your present brand, stick with it. Fair enough?

pour about 1/4 oz. of Calvert into a glass, and the same amount of your present brand into another -without telling you which is which.

Compare each brand for smoothness, flavor, freedom from bite, burn or sting. Then pick the one that really tastes better.
