MORE POPULAR IN THE UNITED STATES? YES [] NO []

Yes. We are the most married people on carth. Approximately nine out of 10 men and women over 15 marry, and the number is increasing. Census figures show that bachelors have decreased 7 per cent and single women 5 per cent since 1940. The number of married women, 20 to 24, jumped from 47 per cent in 1940 to 68 per cent in 1949, and the rate for women of all ages has been in creased more in the past 10
