# Helping the Nation get things done

..FOR 75 YEARS

birthday. What began as a line between two rooms in a Boston attic in 1876 has developed, in one lifetime, into a Long Distance network that covers the Nation-and extends to most of the world's telephones:

This year is the telephone's seventy-fifth and busiest

This great system has grown in answer to the needs of a people. And it's a good thing it has. In these threatening times, the Long Distance lines that bind this country together are more vital than ever:

To help speed your Long Distance call, please give the operator the out-of-town telephone number. Telephone lines are busy with national defense,
