

27 BUILDINGS IN PATH OF ROAD, SEYMOUR TOLD

SEYMOUR, April 25—Forty-nine Seymour homes and 27 commercial buildings valued at \$600,000 will have to be removed to extend Route 3 as a four-lane highway from the center of Seymour to Ansonia town line where it will meet the Shelton-Derby-Ansonia expressway, State Highway Commissioner G. Albert Hill said here last night. He added that the project will involve construction of a new bridge across the Naugatuck river to open into Bank street.

Preliminary information, he said, indicates a total cost of \$2,500,000 for the Seymour facility which will be ready soon for the "design stage."
