Inswer to Question No. 1 No. The most competent psychiatrists, and psychologists have discarded this view of Freud. According to Phychologist Arthur Gates, Columbia University the extreme Freudians would paraphrase Shakespeare as follows:

All the world's a sanitarium, And all the men and women

merely patients.
They have their repressions and their complexes

And each man in his time plays many parts,
His acts being sexual symbols.
As Dr. Gates says, once we discard these false concepts,
Freud remains a great psych-

ologist. Answer to Question No. 2 What you believe. What you believe is based to a great ex-tent on what you know. But the beliefs that are the outgrowth of your knowledge and life ex-periences chiefly guide your con-duct—also the conduct of nations. Communists are guided by what they believe. They think

his is based on knowledge, but is really a system of beliefs, chiefly emotional. Answer to Question No. 3

Pretty well. Psychologists think it's chiefly because the think it's chiefly because the person reminds you of someone who, at one time, caused you unhappiness. In his book, "Teach Yourself Psychology,"—W. E. Sargent tells of a man who, seeking counsel, immediately said, "I don't like you." It devolved that the psychologist resaid, "I don't like you." It developed that the psychologist resembled a former companion who had "done him dirt," but whom he had forgotten. These memories are below the threshold of our present conscious mental activity (which the Freu-dians call the unconscious mind) out careful probing often reveals

MODERN TELEVISION ISN'T COMING ... IT'S HERE!! Take just two minutes of the new, incredibly better and clearer 20 inch Muntz TV reception to realize how ancient your older, small-screen set has become! But here's the big surprise: because it's sold. serviced and guaranteed by the factorybecause you buy FACTORY DIRECT-a huge. handsome 20 inch Muntz TV costs less ... infinitely less than the "postage-stamp" sets of yesterday.

Hence, with 20 inch Muntz TV so shockingly low, let's dispose of the squinty 7's, 10's, 12's and 16's . . . let's sell 'em. trade 'em, move 'em into "secondary rooms" ... and start enjoying the great, big, wonderful, eye-resting performance of MODERN 20 inch TV!!

Remember . . . without "middlemen" merchandising expenses . . . without dealers and distributors, it costs Muntz less to sell ... so naturally, it costs you less ... so much, much less to buy!!
