it-with Pressure it's Fresher!

Here's why: In ordinary cans many pracious flavor elements escape—even when the can is sealed—freshness is lost!

Pressure holds flavor elements in the coffee

In pressure packed cans, positive pressure helps prevent the coffee from losing its fine fresh flavor. That's why "Pressure Packed" Chase & Sanborn brings you coffee that is far fresher-far richer in important flavor elements than coffee packed any other way. Ask for it today!

cluded such questions: Do you get riled at slighting remarks? At being criticized by a friend? At missing the train or bus? At They found that habits calling being jostled by a stranger who doesn't apologize, etc.? Older men gave more "yes" answers than younger men. Older women gave the same as younger ones. Our booklet, "How to Manage Your Feelings and Emo-tions" sent at cost, 15c (coin only), plus self-addressed,

stamped envelope. Answer to Question No. 2

Yes, enormously, according to a recent magazine article by Dr. A. W. Green. We are bombarded with claims for cure alls, lotions and potions, personality improvers, emotional mobilizers and mental jet-propellers. Some of the preparations are harmful;

many are used by persons who have no need for them, and some mislead persons into neglecting ailments. Answer to Question No. 3

Bodily exercise is better. Over 200 bodily and mental habits were studied by 80 psychologists. for such bodily activity as athletic games, walking, fishing, etc., were far better for developing personality than such men-tal exercises as listening to the adio, reading stories or going to the movies.
