**A NEW WAY TO HEAR**  
*through a tiny jeweled pin!*  
**NOBODY KNOWS I'M DEAF**

That tiny, beautiful brooch that adorns her smart faille suit is the new Sonotone Hearing Aid—a amazing "SonoCharm". And no wonder she's pert and poised—her secret is safe, her hearing is sure! Just a stunning piece of costume jewelry with no outside connecting microphone cord, a Sonotone exclusive! And this fashion-magic gives unamplified, softest reception—banishes clothes-rub noise, even on swanky silk or taffeta. Nobody knows you're deaf!
