L. W. WILLIS REELECTED BY STATE'S ATTORNEYS

RIVERTON, Aug. 7 — (AP) State's Attorney Lorin W. Willis of Bridgeport was reelected president of the Connecticut State's Attorneys association at the summer meeting of the group here today.

Attorney Joseph V. Fay of Hartford was elected secretary. It was voted to hold the 1952 summer meeting in New Haven. Attorney H. Roger Jones of Litchfield county acted as host at the meeting today, which was held at the Riverton inn. Following the business meeting that group toured the Hitchcock chair factory here.

Bills at Local Theaters

There's a twin bill of laughs and thrills on the screen of the Warner and Merritt theaters, where "Tarzan's Peril" and "Let's Go Navy!" open a week's run today.

Jungle warfare forms the theme of "Tarzan's Peril", with Lex Barker in the role of Edgar Rice Burroughs' famous ape-man, and with Virginia Huston playing the part of Jane.

Deriving unusual authenticity from the fact that the exciting outdoor sequences were filmed during a 25,000 mile location trip to British East Africa, the story deals with a conflict between two native tribes, and with Tarzan's hazardous efforts to end the struggle.

Virginia Huston makes her bow as the current female lead in the famous adventure series. George Macready is cast as a villainous gun-runner who is responsible for the war. Douglas Fowley, Glenn Anders, Alan Napier, Dorothy Dandridge and Edward Ashley are also factors in the production which Byron Haskin directed. RKO Radio is distributing the dramatic and picturesque offering.

Leo Gorcey and the Bowery Boys are spotlighted in "Let's Go Navy!", rocking with a screaming salvo of high-jinks that cheers while it thrills. Juntz Hall is featured in the supporting cast, which also includes Allen Jenkins, Tom Neal and Charlita.

'Show Boat' at Globe

Ten song numbers are included in the brilliant musical score of "Show Boat," M-G-M's new Technicolor production of the immortal musical play by Jerome Kern and Oscar Hammerstein, II.

Kathryn Grayson and Howard Keel duet in "Make Believe," "You Are Love" and "Why Do I Love You," with Miss Grayson singing "After the Ball" and Keel soloing in "Gambler's Song." Ava Gardner, third star of the picture, sings "Can't Help Lovin' Dat Man" and "Bill," and the young Negro baritone, William Warfield, sings the famous "Ol' Man River." The dancing team of Marge and Gower Champion do two song-and-dance routines to "I Might Fall Back on You" and "Life Upon the Wicked Stage".

Joe E. Brown, Robert Sterling and Agnes Moorehead have prominent supporting roles in "Show Boat," which opens today at Loew's Globe theater.

Comedy at Majestic Now

"Comin' Round the Mountain," a hilarious comedy attraction starring Abbott and Costello, is showing this week at the air conditioned Loew Poli Majestic theater.

With the two comics in the cast is Dorothy Shay. Songs sung and heard include "You Broke Your Promise," "Why Don't Someone Marry Mary Ann," "Agnes Clung," and "Sagebrush Sadie."

In this film Costello and Shay are introduced as nightclub entertainers, under contract to Bud Abbott, an agent. When it becomes known that Lou is a direct descendent of "Squeeze Box" McCoy, leader in the hillbilly feuds, the trio start out for Kentucky to claim a fortune in buried gold and silver.

Also at the Majestic this week is "Hollywood Story," the cast includes Richard Conte, Julia Adams, Henry Hull, Fred Clark and others.

Theater Time Table
