Answer to Question No. 1

Yes, because most people get mental KO when hearing a memal AO when hearing their own voices. Your voice doesn't sound at all like you think it does. Many a mother is unaware that her voice is extremely irritating to her chil-dren. I thought I had a sweet, mellifluous, come-hither voice-especially when talking to the ladies. But when I heard it on a record I thought I was one of Bob Burns' Arkansas hog call-

Answer to Question No. 2 No. If they coulds an abrupt millennium would begin. Most people think like the farmer who told summer boarders that

stopped an it and train 10 feet from a broken rail!
To prove this the old fellow
took the boarders into the backyard and showed them the hen! The boarders were convinced and so are most people by such conclusive evidence.

Yes, there is nothing better. Psychologists find that fencing, dancing, tennis, hiking and swimming are unsurpassed for building happy, poised person-alities for both men and women. Boxing is an excellent personality improver and fear conqueror

In what was regarded as a test case, the Senate voted last March 30 to cite for contempt of Congress Morris Kleinman and Louis Rothkopf of Cleveland. Ohio, linked by the crime investigators with a big interstate gambling syndicate.

On April 2, Sen. Cain (R.-Wash.) entered a motion to reconsider the vote. As a result, the contempt citations have not been sent to the U.S. attorney here for presentation to a grand jury. Agreement to bring up Cain's long-pending motion at today's Senate session was reached ear

ing an audience estimated at 20,000,000 or more persons.

Kleinman and Rothkopf read identical statements protesting against the television cameras, the newsreel cameras and the

radio broadcasting equipment.

They contended all these pub licity media invaded their consti-tutional rights and put them at a disadvantage with the Senate's and the committee lawyers, who, they noted, had appeared on television many times.

Kleinman and Rothkopf then

clammed up completely, making no answer at all to question after question. Solons Rap Luxury

EDINBURGH, Scotland, Aug. 9.

(P) Prince Philip, Duke of Edinburgh, spoke out last night against Britain's failure to apply scientific discoveries to industry faster.

The Duke, husband of Princess Elizabeth, suggested that shortages of such materials as non-ferrous metals, steel alloy metals and sulphur could be licked by improved design, use of substitutes and scrap reclamation.

His speech, which was a manufacture of the many washes are in one of the many washes marking the area and been swept away by a desert cloudburst.
