LOOKING AND LISTENING

Les Brown Sets Pattern for Contented Musicians

By TOM E. DANSON

HOLLYWOOD. Here is the TV program's summer hiatus. ... story of an orchestra leader who has beaten the game, an achievetor, purchased a home in Laguna ment in this particular profession Beach and now commutes in his which is considered very difficult. Simca sports car. 38, Les Brown has set a pattern in life unlike most musicians

KLAC-News, Haynes KMPC-News, Whittinghill KFI-This is Biggins, Sir KHJ-Flying Feet KECA-NO School KFWB-Salvation Army KNK-Theater Today KGER-Word on Wiers KFOX-Fernecostal KVOE-Froudly Hall KFAC-Nees Froom

with every man working together with every man working together as a unit. Les does not believe in featuring just one or two men who in turn, attempt to "steal the show." The pride, so prominent in the organization, is established by the satisfaction of knowing they are in an outfit with high standards and one that (this probably is most important) pays off. During last year, not one of the satisfaction of the sati During last year, not one of ... For a touch of mystery, "Di-his men earned less than \$8000, mension X" takes its place on which results in a very happy your dial from KFI at 8:30. . . and contented group of musi-Adaptations from popular magacians, headed by a man who is zine stories are presented by very well thought of in the busi-RECA during their "Newsstand ness. The total of the band as Theater" program at 9:30. an organization, numbers 25, however, only 19 are seen on the stand. All but four of the band Welfare Speaker members are married and maintain homes in the Southern California area. Are they happy with this set-up? Just try to find a vacancy with Les Brown and his Band of Renown!

Recent rulings by the State Social Welfare Board and County Welfare Departments concerning old age and blind persions will

Les is credited with doing more camp shows, with more travel miles than any other band in the business. Over 60,000 miles were covered by the group since October of last year.

Wettare Departments concerning old age and blind pensions will be given at a public meeting of the California Institute of Social Welfare tomorrow at 1:30 p. m., in the Sciot Building. lober of last year.

Let's Explore Your Mind

Answer to Question No. 1 ON TV ... So new is the KFI Yes, according to child psy-come hysterical. One student At 38, Les Brown has set a pattern in life unlike most musicians and band leaders. He owns his own home in Beverly Hills, and best of all, lives in it most of the time with his family, rather than "hitting the road" on varied engagements. Brown's work with the Bob Hope show is greatly responsible for this mode of life which allows him to stay at home a great part of the year. With the Bob Hope show since 1946. Les started up the ladder on the music wave set by Benny Goodman in the late 30's, and has always headed a band that keeps abreast of the times and current popularity changes.

The bandsmen with Les have a great pride in the organization with every man working together with and the stay of the times and current per late with sclence fiction background shaded a great part of the times and current popularity changes.

The bandsmen with Les have a great pride in the organization with every man working together with late of the times and current per late with sclence fiction background shaded a band that keeps abreast of the times and current popularity changes.

The bandsmen with Les have a great pride in the organization with every man working together with late of the times and current per late with sclence fiction background shaded a band that keeps abreast of the times and current popularity changes.

The bandsmen with Les have a great pride in the organization with every man working together work a great part of the united the title, of a constant of the title of "Raving Beauty," at 5:15...."The Add Libbers" at 5:15.... "The Add Libbers" at 5:15.... "The Add Libbers" to the title of "Raving Beauty," at 5:15.... "The Add Libbers" starring Peter Donald as the title of "Raving Beauty," at 5:15.... "The Add Libbers" to the title of "Raving Beauty," at 5:15.... "The Success the title of "Raving Beauty," at 5:15.... "The Success the child psychologist Dr. Dorothy Baruch of Whittier College. She says recent experiments show that emotional disturbances in the moth. In the moth with should have a start with scle

versity, has devised a machine by which your words are delayed in reaching your ears. As a result of this delay, the most normal person soon begins to me despair of education,

istammer, talk gibberish and bestuck it out 12 minutes, one college dean went to pieces in five ninutes and one woman went off the beam in 10 seconds. The device should be of great service in exploring individual difference in nervous frustrations, especially stuttering.

Answer to Question No. 3 Yes. According to the late psychologist, E. L. Thorndike. You can't sell'him magic. My mail is filled with schemes for reorganizing human nature and reforming the universe. These schemes have as much relation to the facts of life and nature as the One Hoss Shay has to mundane
