Painful cramps of "Monthly Periods" stopped or amazingly relieved

in 3 out of 4 cases in doctors' own tests!

Women and girls who suffer from those irritating, back-aching and headache-producing menstruation—who feel upset and irritable on certain "particular days"—may often be suffering quite unnecessarily!

Such is the conclusion from tests by doctors in which Lydia E. Pinkham's Vegetable Compound gave complete or striking relief from such distress in 3 out of 4 of the cases tested!

Yes! Medical evidence shows Lydia Pinkham's compound a remarkably effective effect on the uterus—without the use of any sedative drugs! The effectiveness of Lydia Pinkham's needs no proof: the millions of women and girls who have benefited know how about it! Do you know what it may do for you? Get either Lydia Pinkham's through the month. See if you don't get the same relief from the pain and distress of "those days"! See if you don't feel better before and during your period!

Get either Lydia Pinkham's compound, or new, improved Tablets, with added iron. If you're troubled with "hot flashes" and other irregularities of "change of life"—Lydia Pinkham's has a quieting effect on the nervous system (see chart) which often causes menstrual pain.

Back to School with Samsonite Luggage

When it's all over, you can bet Rita Hayworth will have settled with Aly Khan for oh, so much less than the \$3,000,000 settlement she was asking for their daughter, Yasmine. After all, it's Poppa (the Aga) who has the \$\$\$\$. Aly has barely enough to live beyond his means. Few seem to know it.

Fashion note: Those bright red socks Van Johnson wears with his dinner clothes were topped by the sartorial splendor of Groucho Marx. He paraded sloppy moccasins and bright yellow socks, his tux!

Joan Bennett and dotter, Melinda Markey, wind up their eastern stage tour with "Susan and God" Sept. 9 in Boston. Then Joan hits N.Y., where she'll do two weeks of exploitation connected with her book, "How To Be Attractive." Originally published in 1943, a revised edition will be on the stands in October.
