LOOKING AND LISTENING

Lucille Ball, Desi Arnaz Play "Life" on TV Show

By VIRGINIA MACPHERSON

HOLLYWOOD. (AP) Lucille Ball's one movie queen who isn't worrying how she'll photograph on TV. This week she came out looking like a Halloween witch. There's just one difference: With Lucy it's on purpose. She and her spouse, Desi Arnaz, kicked off their CBS-TV show, "I Love Lucy" and what the carrot-topped cutie did to her puss was enough to make every "cheesecake" photographer in the racket flip his lid. She stuck black patches over choppers and flashed a toothless grin at her goggle-eyed audience. She plopped a black wig over her orange-colored curls and stalked the stage, pig-tails flying. She camouflaged the famous Ball curves in a shapeliness gunny-sack and stared cross-eyed at the camera. She did everything, in fact, but worry about her looks. And the laughs rippled forth a mile a minute. Everybody was surprised but Lucy. "I started out as a comedienne," she shrugs. "But nobody ever let me get laughs. All I did, picture after picture, was look glamorous. Now I let Desi handle the glamour. He's pretty enough." She's right there. But he's more'n pretty. He's also smart, as president of Desilu Productions he bagged a sponsor for \$1,500,000 a year. At \$30,000 a week every Monday night, Desi and Lucy will carry through the trials of young married life. "It's a cinch," Desi says. "All we do is remember what happened to us and write a story around it."

TELE-TIPS . . . The long awaited appearance of Roz Russell in "Never Wave at a Wac" will be seen tonight from KSTL (2) at 6. This should be a well spent hour for you. Junior College football tonight from the

League's Resolution Hits Urban Services Delegates to the convention of the League of California Cities adopted a resolution petitioning the Board of Supervisors not to provide any more city-like services to urbanized county areas, pending a report by the state Legislature interim committee, which is studying the tax problem posed by such areas. That was revealed today by Mayor Burton W. Chace, upon his return from the conclave. He said that the question of how to tax the urbanized county areas, was a "hot" subject at the league meeting.

Water Works Men to Attend Conclave Headed by their vice president, George D. Ezell, several members of the Board of Water Commissioners will go to the annual convention of the California Section, American Water Works Association, in San Francisco, Oct. 23-25. C. Kenyon Wells, assistant engineer of the water department, will read a paper, "Cathodic Protection of Steel Water Storage Tanks in Long Beach," and participate in a panel discussion on the subject of corrosion. Brennan S. Thomas, general manager of the department, is a member of the section's legislative committee. Joan Crawford Says Gable 'Sexiest' Male on Screen

By BOB THOMAS

HOLLYWOOD. (AP) Autumn is the time for football, bobbing apples and 10-best lists. So we're celebrating the season with Joan Crawford's estimate of the 10 sexiest men in Hollywood. "On the screen," she emphasized. And then she reeled off her list:

1. Clark Gable.
 2. William Holden.
 3. Cary Grant.
 4. Kirk Douglas.
 5. Jeff Chandler.
 6. Dean Martin.
 7. Jerry Lewis.
 8. Tony Curtis.
 9. Glenn Ford.
 10. William Holden. (What again?)
- After making her choices, Miss Crawford went back and explained. "Gable is still king in Hollywood," she remarked. "His magic touch hasn't dimmed with the years. As for William Holden," she sighed, "he's a dream. There's a guy who isn't flashy at all and doesn't seem to be the type to have sex appeal. But brother, he's got it. He doesn't show it on the surface, but still water runs deep. "Cary Grant is tops for suave sex. He's polished, but not slick. Kirk Douglas and Jeff Chandler have a rugged charm that inspires a lot of confidence in a woman. "And I'm not kidding about putting Martin and Lewis on the list. I think they are both sexy in their own way. Dean is a handsome guy who sings in a sexy way. He has humor, too, and that's important in a man. As for Jerry Lewis, I think he's sweet. He has an appealing, little-boy quality. "Tony Curtis is one of the sexiest and best looking of the new faces. Usually when a guy has his kind of face and sex appeal, you can't touch him with a ten-foot pole. But Tony has a refreshing humility and gentleness. "NOT 'HOLLYWOOD' TYPE
"Glenn Ford is like Bill Holden; he's got a lot of sweetness and charm, but he's a strong character, too. In fact, I like Holden so much that I'm putting him on the list twice." Miss Crawford pondered over her choices as she prepared to go into a scene of "This Woman Is Dangerous."
