The apartment was redecorated after the defeated premier, Clement Attlee, and Mrs. Attlee moved out four days after the national election, Oct. 25.

The movement of livestock has been banned in parts of 13 English counties. Eighteen outbreaks have been reported in the area since Wednesday. Diseased animals killed include 742 cattle, 566 sheep and 446 pigs, the ministry of agriculture reported today.

Phil "That's What I Like About the South" Harris and Alice Faye have returned to the airways and all of their regular cast are back to brighten up the ever-lively Harris household.
