THAT ROUGH OLD 20TH CENTURY

Fads and Fashions Have Tough Time

By HAL BOYLE

NEW YORK. (P) The 20th | Centruy certainly has been tough on a lot of things.

It already has sent more fads, fashions, gadgets, ideas and ways of life down the drain

and ways of life down the drain than perhaps any other similar period in history. The century is but slightly more than half over, yet its casualty toll has been terrific. No one can foresee what will be observed down when the state of the be chopped down during the rest of the century. It is a real test of durability today merely to continue to survive. But here are a few items already gone or going since grandma rolled
