### Discussion

9 a. m.-Small World (WMAQ): with Robert Reid, English editor.

Among the big diamonds of the world is the Kohinoor (also spelled Koh-h-noor). This beautiful stone was found in India long ago. No one knows the date of its discovery but some Hindus have declared that it was located more than 3,000 years ago.

The name "Kohinoor" means "Mountain of Light."

The written history of the Kohinoor goes back, however, only a few hundred years. We are told that a general in Golconda, a part of India, stole it from a prince and gave it to the Great Mogul.

The stone was in a rough state.
