Maureen O'Hara Hurt as Extra's Gun Explodes

HOLLYWOOD, — (AP)— Actress Maureen O'Hara narrowly escaped serious injury, suffering minor powder burns, when a gun in the hands of an extra exploded accidentally Friday.

The Irish-born star's face, neck and chest were singed. She was given first aid at the studio hospital and sent home.

The accident occurred during a gun fight scene in the Western film "Cattle Kate." The unidentified extra apparently was standing too close to Miss O'Hara when the gun he had been firing suddenly exploded, peppering the star with flaming gunpowder.

Studio physicians said she came within a fraction of an inch of suffering serious injury to her eyes.

Queen Mother, Margaret Take Jet Plane Trip

HATFIELD, England —(UP)— Queen Mother Elizabeth and Princess Margaret took a 1,850-mile afternoon jaunt Friday in a British Comet jet airliner, the fastest commercial plane in the world.

The Queen and the jet-age Princess took off at 12:25 p.m. and landed at 4:20 p. m. after a flight which took them over the Swiss Alps, Italy, and most of Southern France. They had chosen the route themselves, just before takeoff time.

The Comet cruised at 450 miles per hour at nearly 40,000 feet altitude and the Queen and 21-year-old Princess were able to chart their progress on maps which British Overseas Airways had provided for them. Both spent considerable time in the pilot's compartment.

"It has been a remarkable and impressive experience," the Queen Mother said after the landing. "We have thoroughly enjoyed the trip."
