TIP O' THE MORNING: Giveaway shows are being used in some radio and television spots as summer replacements.

BETTY McGUIRE and the Belle-Tones, girls' quartet, will open a six-week engagement Friday, June 27...

The Philadelphia Museum of Art has purchased an etching, 'Autobiographical,' by George D. O'Connell of Madison.

Marius Goring, British actor, will have the title role in 'The Scarlet Pimpernel,' dramatic series starting July 1 on NBC-WIBA.

Judy Gilbert, who plays Rosa on 'Life with Luigi,' the Cy Howard show heard on CBS-WKOW, will be on stage this summer.

Edward Hall, Howard university student, has joined the permanent company of 'Playhouse on Broadway.'

Members of the Fine Arts quartet, heard Sundays on ABC-WENR, have been named artists-in-residence at Northwestern university for the next academic year.

A film version of Dreiser's 'Sister Carrie' will be released in August. The cast includes Laurence Olivier, Jennifer Jones, Miriam Hopkins, and Eddie Albert.

Dennis Morgan's next picture will be 'Cattle Town,' outdoor adventure drama with Bryan Foy directing.

Producer Louis de Rochemont, who always shoots his motion pictures on location and uses passers-by for extras, is still holding a check for a too-obedient student who hired on for a stroll before the cameras while 'Walk East on Beacon,' new FBI film which Columbia is releasing, was being made.
