DIAL 6-3111

TIP O' THE MORNING: With the political conventions out of the way, television will have to dig up some new ideas to fill "dead spots" in the schedules. The networks and stations have used up a backlog of from 2,500 to 3,000 movie features-and there just aren't any more available.

THREE CONDUCTORS WILL share the directing when the All-City Summer band gives a concert at 7:30 p.m. Tuesday in Vilas park. They are Walter Fandrich and Ernest

Stanke, instrumental music, directors at Central and West high schools respectively, and Leroy Klose, director of music in the public schools. Klose is the band's regular director.

The one-hour concert will precede the annual Vilas parklantern parade.

The band is sponsored by the board of education through its music department.

UNCLE JULIUS: Polkas and vocal novelties will be featured by Uncle Julius and his hand when they play at 3 p.m. Sunday in Vilas park. The program will be one of a series presented by the city of Madison, the Madison Vocational and Adult school, and the

Madison Musicians assn. with WALTER FANDRICH a grant from the recording industry.

Uncle Julius has promised two hours' entertainment with his 11-piece unit. It will include schottisches, waltzes, polkas, and songs, old and new.

TODAY'S QUOTE: "Sometimes I wish I had gone into politics. I've got a better system-I'd only kiss babies that are old enough to vote."-Arthur Godfrey.

ON GUAM: Airman Sherwin Stein, who was stationed at Truax Field and who wrote the Truax Air Force band program heard Saturdays on WIBA, now is running a nightly request show on Guam, in the Caroline islands.

He has written to Madison for help in getting requests for his record program, "Operation Turntable," which plays music for which relatives and friends of men on the island ask. Stein is staff announcer, disc jockey, and continuity writer for the militaryoperated station.

In a letter to Bob Dick, WIBA, program director, Stein said:

"There are plenty of soldiers, sailors, marines, and airmen U. S. Sued for \$37,500 stationed here from Wisconsin. We'd like to get requests from their folks back home to play for them . . . Anyone who knows a GI folks back home to play for them . . . Anyone who knows a GI stationed on the Island of Guam can request a song and dedication for him. All they need to do is send a letter or card to 'Operation Turntable, Anderson Boradcasting System, Box 476, APO 334, Einhurst, Ill, in a Madison Fed-eral Court suit filed Thursday from Heroine care of Postmaster, San Francisco, California.''

## THEATER LIGHTING: The only important 20th-century addition

to the art of the theater is the use of electricity for lighting, David Carrier of Baldwin, W. Weiss, Jr., points out in an article in the current issue of the Wisconsim Idea Theater Quarterly. The magazine is a project of the Wisconsin Idea Theater, an agency of the University of Wisconsin's

or the University of Wisconsin's summer, performing at installa-extension division. Weiss' article is in a special supplement on low-budget lighting for theater groups operating with limited funds.

Welss has been active in lightllar duo-planists on the program ing and staging plays for Wiscon-

sin Players.

Dorothy Sarnoff, soptano recently featured on Broadway in "The King And I"; Georgia Tapp, con-"RHAPSODY IN BLUE": Just before the performance of George Gershwin's "Rhapsody in Blue" on "Musicland, U. S. A.," Ira Gersh-win, George's lyricist brother, was on hand to reminisce about the first performance of what has be-come probably the most famous symphonic piece by an American. "George wrote the "Rhapsody" in three weeks," he said. "He had no idea that it would be so well Whileman was doing him a favor WISCONSIN STATE JOURNAL, FRIDAY, JULY 18, 1952

## Wisconsin bourbon fans cheer return of Hiram Walker's TEN HIGH

The bourbon that became America's best-selling whiskey Introduced in 1934, Ten High became by 1938 America's favorite whiskey according to records of independent package stores. During the war, no Ten High was made, But after the war years, Teo High was back on the stills. Now it's here again, fully matured, ready to double your enjoyment!

## 2 good reasons why you'll double your enjoyment

1. Slow Barm makes it richer. Barm is the oldtime name for whiskey mash. Hiram Walker slows the barm-keeps it cool-to give every drop of Ten High a robust, hearty richness.

2. High-Light Distilling makes it smoother. Hiram Walker specializes in light-bodied whiskeys. Ten High is distilled at the right proof to give each sip a smiling smoothness.
