Year's Smartest Car - Year's Greatest Deal!

TRADE NOW FOR THE DEAL OF THE YEAR ON A FUTURE-STYLED MERCURY

EYE AND TRY THE YEARS-AHEAD ECONOMY CAR

MERCURY

KING MOTORS, Inc.
REGENT at MONROE Dial 6-6221 MADISON, WISCONSIN

THINK of it this way. The car you are now driving will never be worth more money than it is right now. In a few short weeks it could be a year older by trade-in standards.

That's why it's more important than ever that you trade for a Mercury. For this is the one car in its class that eliminates the worry of buying a new car that may soon look out of date. Mercury's forerunner styling is designed to anticipate the future . . . is planned to stay years ahead of the calendar.

And don't forget Mercury's unequalled record for economy. On the official ton-mile basis—with optional overdrive—it's twice been Sweepstakes winner of the Mobilgas Economy Run. Pound for pound Mercury is the most economical car in America today. And that means the very best balance you can buy of real comfort plus power, beauty plus economy.

So let's talk figures. We honestly believe we can map out a deal that will open your eyes . . . make you glad you didn't wait any longer.

TRY IT

You just can't buy a better drink at any price!
