

Bill Doudna's TIP O' THE MORNING: Another play-reading group has been formed to tour in Shakespearean excerpts.

THE Milwaukee Lutheran A Cappella choir will give a concert at 7:15 p. m. Sunday in Calvary Lutheran University church.

Harold E. Albers, who has been associated with the choir for 15 of its 16 years, will conduct.

Frequent tours have made the choir popular throughout Wisconsin. Its Christmas and spring concerts in Milwaukee have become highlights of that city's musical life.

COMPOSER: The U. S. Air Force choir of the Seventh Air Force division has ordered copies of "Supplication," an anthem by Mrs. H. Hoesly.

Mrs. Hoesly has published the anthem, which is being used in many parts of the country.

The composer is a graduate of the University of Wisconsin school of music.

CHRISTMAS CONCERT: The 60-voice Senior A Cappella choir of Trinity Lutheran church will give a Christmas concert Sunday night, Dec. 7, in the church.

Soloists will be Mrs. Bettina Bjorksten, soprano, and Robert Tottingham, bass-baritone.

Frederic Hilary, director of music at the church, will conduct the concert, which will include Christmas choral works of Bach, Willan, Billings, and Paul Christensen.

Trumpet and echo-choir music and a candlelight procession also are on the program.

DISC OF THE DAY: Jo Stafford probably has another hit in "Keep It a Secret," which she gives a vital reading.

WEEKEND ATTRACTIONS: At last report, there were still good seats available for two weekend attractions.

ON THE AIR: Clergymen who will appear on "You Pastors Speak" over WIBA tonight.

"MUSIC IN WISCONSIN": A new series of "Music in Wisconsin" programs will begin Sunday on WIBA.

No End to Man Shortage, Medical Group Predicts

CHICAGO (AP) — Warning to women: No less an authority than the American Medical Association says that "the worst is yet to come" in the man shortage.

The AMA brooded editorially in its journal Thursday that "according to present indications, the preponderance of women will continue to grow, with attendant increase in widowhood and dependency."

The 1950 census showed that there are 1,430,000 more women than men in the national population.

The AMA said, in the age groups over 45 years, where women outnumber men 1,000 to 956.

The AMA said the chief reason for this sorry state of affairs is the higher death rate of males.

In 1930 the ratio was 1,210 deaths in men to 1,000 in women. In 1951 the ratio had jumped to 1,233 men to 1,000 women.

That isn't all. The AMA said that in recent years more women than men have migrated to this country, while more men have left the United States to live elsewhere.

It said that in the five years after the end of World War II migration produced a net gain of 181,500 women over men.

And, finally, war deaths have widened the gap between the male and female populations, the AMA said.

"The present indications are that this excess will become even larger in the future," the editorial said gloomily.

NO EXAGGERATION: LEVERING, Mich. (AP)—George Sparks and Wendell Johnson can prove that hailstones as big as golf balls fell in their town. They put them in a deep freeze.
